

Chairman's Report February 2020

First, I would like to thank Bill Legrove for all his hard work over the past years as our Burble & Blatt editor. Enjoy all your free time now with Purdy and grandson.

A big thank you to Bob Cooper for taking on the role as editor and hope you can fill the big size shoes quickly and look forward to having you put your stamp on the Burble & Blatt.

Sunday 5th January 2020 lunch time Noggin Barton Marina

Our first outing of the year with a good turn out on what was a cold but dry day. Although this was a late addition to the calendar it was nice to see 21 Members with 6 Morgan's in the car park. It was a pleasure to see Bob and Pat Martin.

We all met up at the side of the canal basin after which some went for a walk around the lake while others went exploring the marina shops. (It was warmer in the shops)

After some exercise to blow away the Christmas cobwebs we went to the Cinema Café for snacks and a warm drink. It was good to catch up and have a natter.

Renewed by the warmth, some went for another walk before wrapping up to enjoy a steady but bracing drive home.
