

## Chairman's Report June 2020

Welcome to the Staffordshire Centre of **Gardener's World**. From what I can gather that is what most of us have been doing during lock down, Back to the normal talk. In May we had our first Zoom Noggin on Wednesday 27th

It looks like we all are staying well. No reports of anyone having the virus but not all staying *completely sane*.

With 15 members joining us, it was nice to see your faces again. A few couples as well. After 15 minutes of lively banter to get going we did settle down and all talked about what we had been doing with our time, it does seem that we all had a list of jobs and were moving steadily through them. Some of you have been cleaning the Morgan and doing other car jobs ready to get back on the road. The meeting went on till 9.30 when we said our good night. Thank you all who came.

There will be 2 more Zoom Noggins in June both on a Wednesday night at 7.30 First on the 10<sup>th</sup> and second on the 24<sup>th</sup>. If you would like to join in on any of these dates let Keith know who will send out the login details on the day.

With the good weather, it was tempting just to sit in the sun but as lock down was easing, it was a chance to get out in the Morgan and have a run, as some of you did. Hopefully, it won't be too long now before we may get a chance to have some sort of Noggin in the open air.

**Reports and updates from the MSCC** Miscellany - Despite the lockdown and restrictions of events and travel there remains sufficient good copy to continue producing the club magazine in its current style for a few months. **Safeguarding** – the new Safeguarding Officer, Michele Jarvis, has been reviewing what we do and our policy and has proposed a plan of action which has been approved by FEGP. This includes a training session for all Club officers who are in a 'position of trust' to explain to them their roles and legal responsibilities. Michele will host these on Zoom. I attended one of these meetings as Centre Secretary and the full report will be on the MSCC website for all to read and a short version will go onto the Staffordshire Centre website as well. This is something we will all need to read to protect each other and anyone who may be around us when out at Morgan meetings and Noggins. I will keep you up dated when this is published.

### **Staffordshire Centre Website.**

We are currently looking to update our website. This is getting a bit out dated and does need some refreshing. As Simon looks after this, we need to help him to work out what is needed and what you would like to happen and see going forward. We would like to get your help and opinions or if indeed you have some skills to help in updating, contact Keith, Simon or Bob with any ideas or help.

Thank you to Maurice for another Table top Rally, and to Adrian & Judy Gordon-Smith for this lovely little write up about their Scottish Tour and Many thanks to Mick Shillam for sharing his introduction to "The Wonderful World of Morgan Maintenance"

All the articles can be seen in June Burble & Blatt

At this time we still have not any planed outings or Noggin

Remember, enjoy what you do as long as you "stay safe" If you're going out in your Morgan "enjoy"
