NEIGHBORS & FRIENDS:

Hello, my name is Chad Bennion. I am running to become your next Utah Senator in District 29 because I believe **REPRESENTATION MATTERS**. This seat is currently occupied by an incumbent who has spent the last 16 years in the Utah State Legislature.

Today, most campaigns produce slick ads that say nothing. Campaigns should be about delineating the differences between candidates. When my slogan says **"A different kind of campaign,"** what I mean is that I will focus on the issues and differences between me and my opponent and there are many! When I say **"A different type of Senator,"** what I mean is that I will be assessible, transparent, and accountable to you! Equipped with this information, you the voter, can then go to the ballot box and cast your vote for the person who best reflects your values, and beliefs.

This is the approach I used to defeat the Senator handedly in convention. The senator spent \$31,000 during his unsuccessful bid to keep me from challenging him in a primary, I spent \$7,000. Convention delegates cast their votes for me because they understood how I would represent them differently. **My campaign was HARD on issues, while being SOFT on people, and during the coming primary, it shall not change!**

I look forward to sharing with you the differences between my opponent and myself, **because REPRESENTATION MATTERS**. Please go to my website at VoteBennion.com learn more about me and where I stand on the issues that impact you and your family.
