## Thanksgiving Weekend

Bring a salad, dessert, veggie, fruit or meat tray etc. We cook the turkey and pork pie!

Since our humble beginnings in 2004, our very first season, we have provided an end of season dinner for all our guests that have supported us throughout the year. It started as a baked bean and hot dog dinner.

Over the years public opinion shifted from beans to anything BUT beans! Hence, the birth of our Thanksgiving Dinner.

Our French heritage prescribes that at every family and friend gathering there is an abundance of music, food, drink and laughter that will last “until we meet again”.

Our end of season dinner is still a sincere and humble “Thank You” to all that have made our success possible.

Please have a seat at our table – “till we meet again”! Cheers!
