MEET THE GAFFER

We were here just a week ago and it is fair to say the game did not go according to plan.

A 4-0 home loss is not where we need to be and it makes today's game hugely important to ensure we get the win to help us push up the league.

Last week saw us suffer a couple more injuries and we have needed to make some more signings this.

We are two thirds of the way through the season and with 10 games to go we are entering the business end of the season.

Thanks for your support and until next time.

WORD FROM THE CHAIR

Yesterday saw us launch our 'Warm Hub' where we opened our club house from 7.30am to 1.00pm and offered free hot drinks, breakfast, biscuits and a hot lunch to all those who are struggling. Unfortunately more and more are struggling in the current financial climate and we want to do what we can, although we hope the climate changes which sees us being less and less popular.

Today saw us launch our pay and play football sessions for boys and girls who are new into football. The sessions are just £3 and hopefully highlight the joy the rest of us get from the game.

Over the weeks and months we will launch more community incentives as we look to engage more with the Dartford and wider Kent community.

Thanks again for all your support.

All the best

Matt
