

# YOUR INVITED BY THE

## ST CROIX VALLEY BEEKEEPERS TO

Erin Hampton/ The State News

## Meghan Milbrath

### Live Video Conference

#### "Successful Overwintering of Honeybees".

"How do bees survive the cold? What can we do to make it easier on them?" Meghan says, "We'll cover the biology of the winter bee, with focus on how their behavior can drive our management. We'll also cover ways that we can improve overwinter success." This conversation focuses on work that needs to be done in August and September.
