PURE SURF™

PURE SURF towels help to promote a healthy environment by reducing risks associated with various contamination concerns.

Each towel in our Pure Surf™ series is compatible with the most commonly available sanitizers and disinfectants used to clean a variety of surfaces. They assist in delivering the full effectiveness of sanitizing chemicals to the cleaning surface!

SIMPLE SURF™

For everyday cleaning, choose Simple Surf™ towels for performance and convenience over traditional cotton and disposable paper products. They are great for general cleaning of dirt and grime in building maintenance and a variety of other applications.

INDUSTRIAL SURF™

Designed for durability and can be used for all types of regular janitorial applications.

Made for commercial and manufacturing environments, these towels offer industrial-level performance.

Towel Weights to Meet Your Performance Needs

Every application is different, and Marquee Products® offers towels in three weight classes to meet your performance needs.

HEAVY

Select our heavyweight towels for multi-day, heavy use and heavy soil applications. Designed to be reused and even washed, these thick, high-performance towels are designed to last.

MEDIUM

Great for full-day and multi-day use, medium-weight towels can be used over and over.

LIGHT

Our economical lightweight towels provide ideal performance for single shift to multi-shift use in moderate soil environments or lower frequency cleaning applications.
