

T700H

INDUSTRIAL SURF™

HEAVY

Industrial Wiper

The T700H is a general purpose, industrial wiper made for a variety of cleaning applications. Each heavier-weight towel can be used throughout a day for heavier-duty cleaning in manufacturing and other applications. It is offered in a white color and conveniently packed in smaller units of 50 towels each within each case. This reusable towel helps to reduce the need for single-use disposable towels saving time, money and helping to promote sustainability. Use this towel wet or dry.
