

T520S

PURE SURF™ MEDIUM

Sanitizer Compatible Foodservice Towel

The T520S is a specialized, sanitizer compatible towel specifically created to promote hygienic restaurant and foodservice environments. Each towel can be used over multiple days for moderate-duty cleaning. It is offered in a salmon colored design so that it can be segregated from other towels with different colors for specific front-of-the-house or back-of-the-house applications. This reusable towel helps to reduce the need for single-use disposable towels saving time, money and helping to promote sustainability. Use this towel wet or dry to clean up a wide variety of foodservice surfaces such as tables and countertops.
