

T106

SIMPLE SURF™ LIGHT

Multi-Shift Foodservice Towel

The T106 towel can be used throughout a day for lighter-duty cleaning in restaurants and other foodservice establishments. It is conveniently packed in smaller cartons of 100 towels each within each case. Distinguished by its blue pattern, it can be segregated from towels with different colors for specific front-of-the-house or back-of-the-house applications. The T106 helps to reduce the need for single-use disposable towels saving time, money and helping to promote sustainability. Use this towel wet or dry to clean up a wide variety of foodservice surfaces such as tables and countertops.
