SIMPLE SURF™

LIGHT

Multi-Shift Foodservice Towel

The T107 towel can be used throughout a day for lighter-duty cleaning in restaurants and other foodservice establishments. Distinguished by its pink pattern, it can be segregated from towels with different colors for specific front-of-the-house or back-of-the-house applications. The T107 helps to reduce the need for single-use disposable towels saving time, money and helping to promote sustainability. Use this towel wet or dry to clean up a wide variety of foodservice surfaces such as tables and countertops.
