## PURE SURF™

These towels help to promote a healthy environment by reducing risks associated with foodborne illness outbreaks. Each towel in our Pure Surf™ series is compatible with the most commonly available quaternary sanitizers used to clean both front of house and back of house surfaces. They assist in delivering the full effectiveness of sanitizing chemicals to the cleaning surface!

## SIMPLE SURF™

When it comes to every day cleaning, pick Simple Surf™ towels for performance and convenience over traditional cotton and disposable paper products. They are great for general cleaning of dirt and grime in foodservice, building maintenance and a variety of other applications.

## INDUSTRIAL SURF™

Made for cleaning in commercial and manufacturing environments, these towels offer industrial level performance.

### Towel Weights to Meet Your Performance Needs

Every application is different, and Marquee Products offers towels in three weight classes.

#### HEAVY

Select our heavy weight towels for multi-day, heavy use, heavy soil applications. Designed to be reused and washed, these thick, high-performance towels are designed to last.

#### MEDIUM

Great for full-day and multi-day use, medium weight towels can be used over and over.

#### LIGHT

Our economical light weight towels provide ideal performance for multi-shift use in heavy soil environments or lower frequency cleaning applications.
