## Protect Your Customers & Brand

Cotton, rental & other non woven towels may deplete sanitizer strength substantially, increasing the potential for illness and cross-contamination.

Pure Surf™ towels are manufactured to be compatible with sanitizers, thereby delivering the full potency of sanitizer to the surface, reducing the likelihood of cross contamination and food borne illness.

## Earn Higher Health Inspection Scores

Pure Surf™ towels do not deplete sanitizer strength in cleaning buckets, resulting in higher health inspection scores and satisfied customers.

## Reduce Chemical & Water Usage

Pure Surf™ Towels do not deplete sanitizer strength, dramatically reducing the frequency of refilling the buckets with sanitizer and water.

## Towel Weights to Meet Your Performance Needs

### HEAVY

Select our heavy weight towels for multi-day, heavy use, heavy soil applications. Designed to be reused and washed, these thick, high-performance towels are designed to last.

### MEDIUM

Great for full-day and multi-day use, medium weight towels can be used over and over.
