

CLAN YOUNG TARTAN FACTS

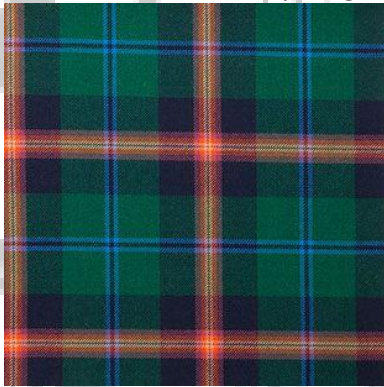

Clan Young sanctions two tartans for making kilts

Clan Young modern and Clan Young weathered

Modern Clan Young

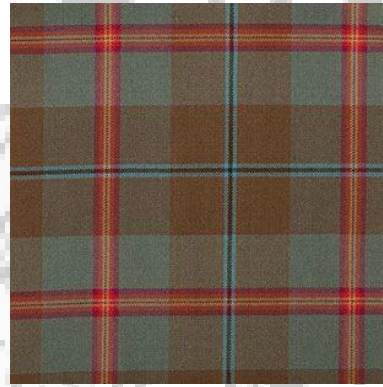

Available in:

10-ounce, Reiver lightweight
16-ounce Strome heavy weight

Weathered Clan Young

Available in 13-ounce Braeiach medium weight

Clan Young members traditionally use these tartan fabrics woven by

LOCHCARRON-OF-SCOTLAND

The heavy weight is considered to 'swing' better than lighter weight tartan fabrics for kilts.

The weathered pattern is intended to simulate an aging tartan fabric.
