## HOW TO READ THE MAP:

Our map inside might look a bit different than any you've seen before, but that's how we do things here in Louisiana... little bit different.

- Unfold the VisitKenner Map.
- Notice the grid lines in the background on the map. Follow the letters A to M on the left and the numbers 1 to 10 at the bottom to find the exact coordinates of each venue. On the reverse side of the map, each location is listed with its coordinates and address.

• Kenner is 5 miles from the Mississippi River to the Lake Pontchartrain (top to the bottom). Therefore, traveling from Lasalle's Landing, which is nestled close to the river, straight up Williams Blvd to Treasure Chest Casino is a 5 mile distance.

• GO EXPLORE! The VisitKenner Map encourages you (or anyone in your krewe) to learn the city layout; however there is SO much more in Kenner to discover, from the river to the lake – and everything in between!

### From the River to the Lake, adventure awaits you (& your whole krewe) in Kenner Louisiana.

the numerous Artscapes (huge sculptures & art pieces in natural settings, inspired by a local public art program to encourage all to appreciate art) that line Williams & Power Blvd.

See a show at the riveting Rivertown Theater, shop in enchanting local boutiques or take a stroll around the historic district. Kenner has the only skate park in Jefferson Parish, a dog park for any size pooch & Louisiana's only inclusive park: Anthony's Missing Pieces Playground in Miguez Park. With 8,000 square feet of safety surface, the park is 100% handicap-accessible, embraced in a scenic walking trail with exercise machines & sensory rich games throughout.

Then head to the massive 75,000+ square foot Pontchartrain Convention & Civic Center, with plenty of room for events, shows, conventions & more, there's always something going on. From "Touch a Truck" (where real ambulances, fire trucks, helicopters etc. are brought inside) to dog shows, circuses, live events and more, there's a calendar full of options.

Then end your day at Game On Social Hub (previously known as Laser Tag of Metairie) & the newest entertainment venue this side of the lake. It's 34,000 sq ft of bowling (including Spark!, the industry's 1st immersive, interactive sporting experience), ax throwing, a massive arcade, an innovative 4200 sq ft. laser tag arena and a restaurant/bar.
