Utility Service Connection Policy	WS-001	013/24	January 19/24	2	

Policy Objective:

To clearly outline the duties and responsibility of the Village and Resident in regards to the installation, maintenance and repair of water and sewer service lines

Policy:

1. Water Service Lines
 - a. Definition – Water Service Connection means any water system or pipe line on a parcel of land through which water is conveyed from the Village’s water works system.
 - b. Installation
 - i. The property owner is responsible for the cost of installation of the service line from the main to the residence
 - ii. The curb stop will be supplied by the Village
 - iii. The property owner must have prior approval for line installation from the Resort Village of Aquadeo and must utilize an approved contractor
 - iv. All contractors must provide proof of liability insurance to the Village Office prior to commencing work and must provide drawing of the service connection once it is completed
 - v. The installation must be approved by the maintenance foreman prior to back fill
 - vi. Repairs to sidewalks, street and road will be at the cost of the property owner.
 1. Material, labour and equipment may be provided by the Village and billed to the property owner.
 - c. Maintenance and Repair
 - i. The property owner is responsible for the cost of maintenance or repair of the line from the curb stop, to the residence and all plumbing within the residence.
 - ii. Any repairs to be completed on service lines shall have a new line from the main to the curb stop and new curb stop if required.
2. Sewer Service Lines
 - a. At this time, the Resort Village of Aquadeo do not provide Sewer connections to the community.
