## Contract Work

I, \_\_\_\_\_ of Aquadeo, Sask. hereby authorize the below work to be done by the Village on my behalf and agree to pay for the same. The Village has requested information from me as to any potential hazards and in consideration of the Village carrying out work for myself, I agree to indemnify the Village of any and all damages to those hazards marked and unmarked, any and all consequential damage because of damage to those hazards, and save the Village of any and all liabilities that may incur to real or personal property while completing this work.
