A pet food company has signed a lease at an industrial facility in Ontario, California.

Hao's Global Pet Nutrition Inc. is moving into a 163,000-square-foot warehouse at 1930 S. Parco Ave. The

Ontario-based company chose the facility for its proximity to transportation infrastructure, suppliers and the region's labor force as the company expands its operations.

The brand's business is manufacturing, processing and bulk sale of pet foods.

The 8.2-acre site features heavy power, a fenced perimeter,

built-out office space, conference rooms and a clean room.

NAI Capital Commercial broker Dawn Lowder, FirstTeam Real Estate's Julie Dammeier and Andrew Rodriguez represented the landlord on the deal. Hao's was represented by Maple Commercial Real Estate brokers Jesse Hamilton, Jacklyn Hamilton and Jessie Hsieh.
