**Welcome to our Spring/Summer Newsletter – your source for information on events at the museum, in the library, and around the village.**

Dear Members and Friends;

First, I would like to thank you all for your continued support of the museum and library. Whether you donate your time or contribute monetarily, every bit inspires your Board of Directors and Summer staff in its continued operation and in finding new and exciting exhibits to display. Your kindness and support is greatly appreciated. We are all very excited about the upcoming 2025 season.

We have confirmed some very interesting guest speakers for our general meetings and AGM. I am delighted that Nancy Sears will be speaking on Annie M. DeLong and the DeLong Family of shipbuilders at our first general meeting scheduled for Wednesday May 14 at 7:00 pm. This presentation will take place at the Community Room located in the Quaco Museum.

For more updates on the Quaco Museum, Gift Shop and Betty Thibodeau Library, please visit our website at [quaco.ca](http://quaco.ca).

I look forward to seeing old friends and making new ones.

Sincerely,

Rob Moran, President, QHLS

**The artworks will be on display in the Quaco Museum Community Room from July 6-26th.** Please join us for this unique display of student creative artwork.
