TDP ACRO DANCE

ADDITIONAL RECOMMENDED CLASSES LEVEL 1 & 2

Acro dance requires flexibility. We highly recommend (not compulsory) that at level 1 & 2 your child is attending Ms Olga's stretch class once per week for one or two terms. By level 3 we would like that the girls are flat in splits to assist in helping them progress quickly through the skills of Acro Dance. Another recommended class is Airtrack. Airtrack is a long inflatable and bouncy piece of equipment. The airtrack assists students in learning and developing skills. It is a class that works on basic acrobatic skills and strength and helps the girls fast track through their levels.
