

Rill Unique Enterprises

'Where every one and every job is unique'

Capability Statement

Rill Unique Enterprises (RUE) specializes in comprehensive medical billing & coding, credentialing, consultation and educational services tailored to meet the unique needs of mental health and alternative treatment healthcare providers nationwide. Our entire team is dedicated to streamlining billing processes, optimizing revenue cycles, and ensuring consistent compliance with all industry standards, both federal and state. We maintain the expertise of working with our niche market by navigating complex billing regulations and leveraging advanced technology solutions, which gives our clients the power to focus on delivering exceptional patient care while we handle all of the back-office duties related to working with all types of insurance payers. We do work with Medicare, Medicaid and Tricare. A partnership with RUE ensures unwavering compliance and the ability to seek growth opportunities that the practice is often unaware of.
