**WESTON, FL, July 31, 2024 /24-7PressRelease/ -----**

Anurag Gupta has been included in Marquis Who's Who. As in all Marquis Who's Who biographical volumes, individuals profiled are selected on the basis of current reference value. Factors such as position, noteworthy accomplishments, visibility, and prominence in a field are all taken into account during the selection process.

A seasoned business leader with years of leadership, operational excellence, and financial expertise, Mr. Gupta excels as chairman of the strategy and risk Board committee for Roseburg Forest Products, one of the leading manufacturers and marketers of wood products. Before obtaining his current role, he worked for TBG AG as the chief executive officer of global data services, where he managed that aspect of the business between December 2016 and 2017. During the earlier stages of his career, Mr. Gupta gained valuable professional expertise through executive C-suite roles with IHS Market, Ingram Micro Mobility, and BrightPoint, Inc.

An expert in his field, Mr. Gupta holds a Bachelor of Science in electrical and electronics engineering and a Master of Science in electrical engineering from The University of Toledo, where his thesis was funded by NASA's Glenn Research Center. Subsequently, he received an MBA in business management, and marketing from the Illinois Institute of Technology's Stuart School of Business. In conjunction with his professional and educational pursuits, Mr. Gupta has aligned himself with such organizations, including SGS International, PE Firms, Drive My Way Inc., and Nova Southeastern University's board of governors.

While his career has been filled with highlights, Mr. Gupta takes the most pride in turning around a company operating at a loss. Within 18 months of becoming the president he made the company profitable. In four years, the company became one of the leaders in the mobility sector in Europe, the Middle East, and Africa, which led to its acquisition by Ingram. Other standout moments in his career include serving as the chief executive officer of a Motorola joint venture in India, participated in opening the market at NASDAQ three times, and closing the New York Stock Exchange once. Mr. Gupta is also recipient of the prestigious Tau Beta Pi Laureate award and the Stevie Business Award.

Looking ahead, Mr. Gupta intends to experience continued growth and success in his career. His goal is to continue investing in technology start-up companies, primarily in SaaS platform companies and add value via Board roles.
