3" high density foam floor matt covered with heavy duty vinyl. Lightweight easy to clean

CZ-FP FOLD

3" high density foam floor matt covered with heavy duty vinyl. Lightweight easy to clean. Folds in half for easy storage.

(Shown next to low bed)

CZ-NO FALL

The CZ No Fall Pad is designed to be the same level as most low beds in their low position. This design allows the patient to roll to the mattress with out falling even to a lower level floor pad. Folds in jalf for easy storage and transport.
