An aerial photograph of the University of Wisconsin-Stevens Point building. The building is a large, multi-story brick structure with a central clock tower featuring a white clock face and a dark, pointed roof. The building has many windows and a prominent entrance with steps. In front of the building is a paved area with a flagpole flying the American flag. The building is surrounded by green trees and a lawn. In the background, a cityscape is visible, including a water tower on a hill under a cloudy sky.

## **A MESSAGE FROM OUR PRESIDENT**

Greetings to all NHS Alumni and Friends. We hope your summer is going well; vacations, visits with family and friends, swimming, cook-outs, baseball and all the other great activities we enjoy so much.

The new website is coming along well and we hope it brings additional visitors and new members. Remember, you can now pay your dues and make your donations at our site **WWW.NHSALUM.Com** .

NHSA&A, Inc. has added a new alumni committee position. Deb Redell, will be the main contact point for students and alumni who have any questions pertaining to scholarships. Deb will assist with applications, awards and primarily be the source for scholarship information for the students. Thanks Deb for accepting this much needed assignment.

Make sure you check out the article detailing the **NHS All Class Reunion on Sunday, September 18 at Southern Lanes Sports Center from 2:00 p.m. to 11:30.**

We also have a status report on the Newport stadium and other information on NHS and your classmates.

Our annual Patron Fund letter will be our next communication. Please review the letter and continue your generous donations.

Go Cats and thanks again for your support of N.H.S.

Tete Turner "64

### **Special Note:**

Buddy Sweatt, Class of 1971 wishes to replace a class ring for his long-time friend Butch Caldwell, Class of 1960. This class ring means an awful lot to Butch. We have contacted Balfour and they have thrown away all the info they had on this. If anyone can send us a photo of the 1960 ring or has any additional information as how this can be replaced, please e-mail or call Wanda Artmeier. My information: e-mail [artmeiws@hotmail.com](mailto:artmeiws@hotmail.com) or call 859-534-0288. This would be greatly appreciated.

## **TIM GRAYSON NAMED PRINCIPAL OF NEWPORT HIGH SCHOOL, BRINGING 30 YEARS EXPERIENCE TO THE JOB**

Tim Grayson who through his three decades in education has spent time as a teacher, principal and administrator has been named principal of Newport High School. Grayson succeeds Mike Hunter, who last month was named athletic director of the Newport Independent School.

## **NEWPORT HIGH SCHOOL PRINCIPAL MIKE HUNTER NAMED DISTRICT'S ATHLETIC DIRECTOR**

Newport High School Principal Mike Hunter has been named the Newport Independent Schools' athletic director. Hunter will step down as principal of Newport High School, where he previously served for 14 years as a teacher, track and cross-country coach.

## RYAN HAHN NAMED NEWPORT WILDCATS FOOTBALL COACH

Newport High School football assistant coach Ryan Hahn was recently hired as the new football coach. Hahn replaced former coach Brian Weinrich. Hahn is a 2011 Highlands High School graduate, where he played four years as an offensive lineman and played on four teams for the state championship with Weinrich as defensive coordinator. He also played at Hanover College in Indiana starting every game all 4 years.

Head Coach Juan McDay is assisted by Quin McDay and Mark Graham. Newport Middle School is a member of the Northern Kentucky Middle School Athletic Association. They are in the North Division with Bellevue, Holy Cross, Covington Catholic, Dayton and Ludlow. Members of the South Division are Campbell County (gold), Bishop Brossart, Bracken County, Newport Central Catholic and Sharp. The Wildcats are 2 time defending Small School Champions from 2020 and 2021.

## **HISTORY OF NEWPORT HIGH SCHOOL STADIUM**

**By Jerry Hatfield "73**

The dedication of the Newport High School Stadium and the Municipal Recreation Field was held on September 22, 1939 before the Newport-Purcell football game. Dr. A.D. Owens, the Superintendent of Newport Schools was Master of Ceremonies. This site used to be called the "Taylor Mill Bottoms". Several years before this, it was a brush and weed overgrown strip of wasteland used by the city of Newport as a dumping ground.

In 1936, the Newport Board of Education sponsored a \$73,000.00 project. In 1937 the W.P.A (Works Progress Administration) constructed a concrete shell of the football stadium.

In 1938, the Newport City Commissioners joined the Newport Board of Education in a cost sharing agreement. This comprehensive recreational project was to be built by the Federal Public Works Administration (P.W.A.) This project included the following:

- Completion of the stadium (capacity of 4,500)
- Construction of a football field with lights
- ¼ mile running track
- Baseball Field with lights & grandstand (capacity of 1,000)
- Tennis Courts                      Wading Pool                      Playgrounds

Total Gross Cost was over \$115,000.00

P.W.A. Grant paid for over \$48,000.00

Newport Board of Education and the City split \$66,000.00 to pay the balance.

Under the Stadium were locker rooms, showers, restroom facilities, equipment storage rooms and a refreshment stand. The fields and buildings had sewage systems

with drainage and the entire area was fenced. Electrical experts said the football field was by far the best lighted field in Kentucky and one of the best in the United States. The baseball field at the time was larger than Crosley Field, the home of the Cincinnati Reds. The stadium, football field and running track are under control of the Newport Board of Education. All other facilities are under the control of the City of Newport.

Let's flash forward 83 years. Our Stadium is broken and needs to be fixed. 83 years of football, track & field and baseball, graduations and time has taken its toll. Many memories and stories from not only N.H.S. Alumni, but from our opponents. For many of us, a piece of our lives are there and always will be.

When the Newport Board of Education decides the fate of the stadium, the Newport High School Alumni & Associates Incorporated will keep you posted. In case you are interested, the Purcell Cavaliers won the football game defeating our wildcats 14-13.

## **NEWPORT BOARD OF EDUCATION STADIUM REPORT**

**By Tete Turner "64**

Currently the stands and locker rooms at the Newport stadium have been temporarily closed as a safety precaution. The stadium has not been condemned, nor has the football field or the track. Water damage over the years has caused cracks in the superstructure concrete and may have created some possible unsafe conditions in the underneath areas. In a recent meeting with Newport Schools' Superintendent Tony Watts, he stressed the closure is precautionary and that student safety is the utmost concern. Although the stands and locker room areas have had multiple repairs over the years, water damage to the 1936 facility is considerable.

Ramona Malone, the Newport Board of Education Chairperson said the school board has commissioned an in-depth engineering study on the structure. The report, expected within the next few weeks, will detail the extent of the damage, possible repairs with cost estimates and a time frame for the work. If the damage is too great or too costly for repair, the Board will consider replacement. The Wildcat football team continues to practice on the field and will play a complete season this year. Our home games will be played at other area fields and the administration is finalizing the schedule now.

Superintendent Watts and Chairperson Malone both understand the history and love for this facility, yet the most important issue at the time is student safety. They thank everyone for their patience and support and have pledged to keep us updated on each step of this very important project.

# NEWPORT SPORTS FROM THE PAST

by Jerry Hatfield '73

## NEWPORT WINS 1946 KENTUCKY STATE SWIMMING CHAMPIONSHIP

Newport High School not only won the Northern Kentucky High School Swimming Championship IN 1946, but capped off the season by winning the Kentucky State High School Swimming Championship. Newport scored 32 points followed by Manual (23), Male (19) Madison (19) and Winchester (7).

The powerful Newport team won 4 of 7 events at Eastern Kentucky State Teachers College in Richmond, Kentucky. The Wildcats were State Champions in the 200 yard Freestyle Relay, 150 yard Medley Relay, 75 yard Breaststroke and 50 yard Freshman Freestyle.

Newport Head Coach MJ "Bud" Cavana took 11 swimmers to the State Championship. Team members included: Sid Besuner (3 titles), Peter Burris (2 titles), Bill Rawlings (2 titles), Jack Kerley (1 title), Merwin Dickerson (1 title), Ken "Moose" Jones, Joe Kohsin, Gordon Kohsin and Fred Minning, Bill O'Hearn and Don Whitehouse.

## Newport High School student wins statewide competition and qualifies for Nationals

Newport High School graduating senior Brandon Harris placed first in a statewide competition for a striking T-shirt design featuring a stirring quote from famed boxer and Kentucky native Muhammad Ali. He plans to study pre-law at Northern Kentucky University, took first place honors at the 2022 SkillsUSA State Leadership and Skill Competition that was held April 13th through the 16th in Louisville.

Harris' T-shirt features an outline of Ali with one of his famous motivational quotes, "Don't count the days, make the days count," along with the SkillsUSA logo. The shirt also had to represent Kentucky or Louisville in the design. The design really captured a lot of what SkillsUSA is all about."

SkillsUSA is a national career and technical student organization serving more than 395,000 high school, college and middle school students enrolled in training programs in trade, technical and skilled service occupations.

Harris has been a student in the Newport High School Career and Technical Education Print Technology program for four years. "The print tech program is excellent at Newport," Harris said. "I learned to use software to make the SkillsUSA logo and design the T-shirt." He traveled to Atlanta to compete in the SkillsUSA Nationals, which were held June 20-24.

SkillsUSA empowers its members to become world-class workers, leaders and responsible American citizens.

SkillsUSA improves the quality of our nation's future skilled workforce through the development of framework skills that include personal, workplace and technical skills grounded in academics.

# **CLASS REPRESENTATIVES AND NOTES**

**Many classes do not have a representative. If you're interested in being the contact for your NHS graduating class, or know a graduate who might be interested, please reach out to one of the NHSA&A board or committee members listed.**

**Danny Lewis Whitacre, aka Dan the Man, beloved husband, father, brother, son, grandfather, coach and friend entered into eternal rest June 29th, 2022 after battling aggressive gastric cancer.** Summing up Dan's life and legacy is a near impossible task for someone so special... If you were lucky enough to meet him, you'd know he exuded light. Dan grew up in a tight knit community in Newport, KY with his family of 7. In high school Dan played many sports including football and wrestling. After graduation he felt called to serve in the United States Army. Dan then graduated from NKU and began his career in the private sector. Dan always felt called to serve and mentor others, often through coaching soccer and mentoring entrepreneurs. In his final years, Dan felt a strong connection to St. Nicholas of Myra, and transformed himself into a real bearded Santa to share the real meaning of Christmas. Looking back it should be no surprise that he became Santa. After all, Dan brought peace, love and joy to all who knew him— with his signature sense of humor.

He is preceded in death by his father, Jerry Whitacre and niece, Andrea Salter. He is survived by his wife, Gwyn aka GiGi, and 4 children, Brian aka Yassa, Joey aka José, and Beth aka Libby, and Andrew aka Andrew as well as his siblings Jerry, Marty, Kenny, and Angela. He leaves behind 2 grandchildren, Kyle and Alex, and a slew of nieces and nephews. In his last days, Dan imparted 2 pieces of wisdom. The first, "No regrets" and the second, "The journey to heaven was worth the trip". His legacy will live on in all those who met him, loved him, and had the honor of calling him a friend.

A memorial visitation for Dan will be held on July 16, 2022 at St. Agnes Church in Ft. Wright from 10:00am until 11:00am with Mass to immediately follow at 11:00am. Following Mass a reception will be held at St. Agnes. In lieu of flowers, donations can be made in Dan's name to the Covington Latin School Athletic Program.

Introducing:

## **Nick Boschert - Alumni Webmaster**

**CLASS OF 1984**

***[nickboschert52@gmail.com](mailto:nickboschert52@gmail.com)***.

Hi, my name is Nick Boschert. I graduated from Newport High School in 1984 and NKU in 1989. I have worked at Procter & Gamble Finance and Accounting ever since then. I am new to the Alumni Committee and am your webmaster of our official website – **[www.NHSALUM.COM](http://www.NHSALUM.COM)** .

I envision the website to be your go-to place to both find out about what's happening in the school system today and to take a trip down memory lane back to when you walked the halls of NHS. Features will include a calendar with major school events plus opportunities to get together with old friends. There will be plenty of links that would be of interest to NHS alumni. Plus – COMING SOON – a portal where you can access a virtual treasure trove of old NHS pictures accumulated by Roger Von Strohe.

We gotta pay the bills, but we want to make it as easy as possible for you. So another key function of the website is the ability to pay your dues electronically using any credit card. All of your information will flow automatically to the Secretary to update our records. However we'll still allow the ability to pay by check.

So welcome to your 21 st Century Alumni Association. Be sure to visit **[www.NHSALUM.com](http://www.NHSALUM.com)**. Send any feedback to [nickboschert52@gmail.com](mailto:nickboschert52@gmail.com).

**This website (WWW.NHSALUM.COM) is the “ONLY OFFICIAL WEBSITE for the Alumni and Associates from Newport High School in Newport, Kentucky. This is the ONLY website representing the NHS Alumni and Associates recognized by the Internal Revenue Service as a 501-C-3 non-profit organization. Other websites offer similar claims, but they are not affiliated with the Newport High School Alumni Association, nor are they authorized to accept membership dues or donations or publish organizational information.**
