

## BY FORCE INTERNATIONAL MINISTRIES

5/7/2019

**TO:** US—THE PEOPLE OF GOD

**FROM:** HEAVENLY FATHER

**SUBJECT:** RELAXING IN THE FATHER'S FAVOR

**CC:** #WISDOMWEDNESDAY

AN AMAZING WORD OF CONFIRMATION AND ASSURANCE FROM THE MOST HIGH:

The LORD'S FAVOR is rolling toward us like an avalanche! It's a huge ball rolling towards us collecting as it goes and getting bigger and bigger. I saw in the Spirit a big tumbleweed or more like a big burr, like what we used to call (when I was a kid) "a sticker-burr" or a "cucka-burr." It was life-sized and it was rolling towards me. And it gathering things with it along the way to bring to us. This huge ball which has gathered on itself things to bless us will roll to a stop right in Spiritual-front of you and me and our blessings will unload. Then I heard HOLY SPIRIT say, "I will do it in MY SON'S Name!" Then HE gave me this WORD:

"Men and women in this Earth do not determine the blessings. They are simply instruments. No mere mortal can call forth or send back your blessings. The Bible says, "Every good and perfect gift comes from above." Blessings come from GOD. Promotion does not come from the east, west, or south. Promotion comes from ME. I utilize the people to pass the blessings through to where they need to go, but they don't determine the blessings nor who receives them. Nor do they determine your time to be blessed or to receive. Relax. I will require of them that they bless you. You don't have to worry about that. Pursue everything now knowing that "I command the blessing." No one can stop what I decree. No man or woman gets to determine what I give you. Any withholding what I have given to bless you they will release it! I have put into the Earth for you. They will release it or they will be moved out of the way or removed. I do not play in this hour. MY People have been patient long enough. It is time. It is MY Time. I called it forth. And while satan has been a great distraction to MY People not even he and those he uses can stop what I have determined. I perfected it all for you MY People. It's for you! And no one can stop ME. And no one can stop MY Blessings. And no one can eliminate the banner of LOVE I have over you, MY Children. I have blessed you and I have LOVED you, with an EVERlasting LOVE. From now on, speak to all in the confidence knowing that I have already done it. I have already granted your petition. You don't have to convince anyone of anything. I have given blessings for you and they are not theirs to give or grant permission to be given although many will position themselves as such. I will sit them down. I will sit them down and show them WHO is in charge. I will sit them down and reveal to them just how powerless they are. They will find themselves in frustration while attempting to stop MY Flow. I will push them over. And I will push it through. You will see your blessings. You will see your breakthrough. Your blessings will be everywhere. Sitting in your bank account, in an email, parked in your garage, sitting on a hill, viewable from overhead, on the screen, in the monitor. No need to fret, no need to worry. Quick advance. Quick breakthrough. Constant and many. That is what I have ordained for you. Constant and many. EXPECT. EXPECT-EXPECT. See, I am doing a new thing. You haven't had it this fast before. You haven't seen it on this wise before. You haven't experienced it quite like this before. You've seen it in your mind's eye. You've dreamed about it from a child, but now I will do it. I will give you prestige, power and respect. There is a shift. People who hadn't noticed you before but heard about you will take notice of you. People who have never heard of you before but need to know you will. People will immediately see the POWER in you. They will see MY POWER in you. They will see ME in YOU. They will fear you. No one wants to be on your bad side because they will see what I do to those who mistreat you. No one will be allowed to try to discount your honor. You're talking about favor, but you don't know from FAVOR. You don't know THIS favor, because I have not previously shown it to you. EXPECT. Go into all your endeavors with confidence. Assume I have already completed whatever is needed in order for you to be found favored. I will do it, and no one can stop me.
