Horslyx Balancers have been carefully formulated to balance the deficiencies in forage and grazing. This is a unique and innovative approach to ensuring that the modern horse receives an ideal supply of vitamins, minerals and trace elements to support optimum health and vitality.

RIDE TOGETHER • TRAIN TOGETHER • COMPETE TOGETHER • HAVE FUN TOGETHER

Rules:

This competition is run under current British Riding Clubs rules. The current BRC Handbook and Rule Amendments document can be found on: <https://www.bhs.org.uk/british-riding-clubs/brchandbook/>

Entries:

1. For Winter qualifiers and onwards, BRC has introduced a 'competition pass' this will take the place of Pre-Entries. To compete and qualify for BRC championships, all entrants must have a valid club membership AND a valid competition pass, which can be purchased via the BRC Sport80 portal. Any member competing at a qualifier without both club membership and a competition pass will be disqualified.
2. It is the rider's responsibility to ensure they meet the eligibility criteria, the eligibility table can be found here: <https://www.bhs.org.uk/british-riding-clubs/brchandbook/>
3. Horses can only compete in 2 consecutive classes (ie 60 & 70, or 90 & 100)
4. All team members will also compete as individuals. The classes have been separated for entry purposes.
5. This competition will be run as a Single Phase – each horse will jump one round with the second half of the round being timed – as per BRC rules Option 1
6. No refunds after close of entries.
7. Team Managers Please email becca@munsteadhorsetrials.co.uk for running orders/times once you have submitted your entries. Times will be emailed back asap after close of entries.

Tack & Turnout:

1. All **riding hats** must have a visible current BRC/BE/PC pink hat tag
2. A **body protector** is not mandatory for this competition but can be worn.
3. Riders wearing Exo-Body cages, in which the BETA Level 3 2009 Purple Label, must inform the official steward/organiser before the event.

Health and Safety guidelines: As per BRC and Parwood rules**Flu Vaccinations & Microchips**

Your horse must have up to date influenza vaccinations in line with rule G7 in the current BRC Handbook. There is also a downloadable flu vac checking spreadsheet available to check the flu vaccination: [BRC Downloads | The British Horse Society \(bhs.org.uk\)](#) under '**Competitions**'.

Flu Vaccs will be checked on site in the morning before you compete. Please bring your horses Passport/Flu Vaccs to the Parwood Office along with your hat if it needs tagging BEFORE you ride.

Team Managers please ensure that your teams all have up to date vaccinations – it is always so awkward having to turn people away on the day because their vaccinations are not correct!
