Please note that entries to Tweseldown are open to all competitors from Area 11 clubs who are taking part in the qualifier now. **The format of the qualifier will also differ slightly from the Championship in that there will be a short pause between the show jumping and cross country phases at this qualifier.**

From 15th March, Tweseldown will accept non-qualifier entries to their own event so for those wanting to do the national combined challenge qualifier it is essential to get your entries in by 14th March latest. **No entries will be accepted once classes are full.**

When entering please ensure that it is clear whether you are doing the qualifier and also say whether in a team or an individual (as all team members are automatically individuals, competitors in a team only have to put 'team'). Please also state club name and team name if more than one team.

Eligibility for all classes can be found in the current BRC Handbook (page 72 – please note from September 1st 2022 horses may compete in consecutive heights Arena Eventing and Combined Challenge). All competitors must be a current member and be on the BRC Database and have a current competition pass. Anyone failing to meet the eligibility criteria will be disqualified and informed by BRC HQ when the results are processed.
