

July 20, 2016

Dear Parents and Guardians:

I hope you have had a great summer. We are implementing a new athletic record keeping system. It is called Rank One. This system will allow you to complete paperwork forms electronically online. All forms will be available on Rank One. **Two forms will need to be turned into the coaches.** They are the **physical examination form** and the **medical history form**. The rest can be completed online. Please register online at: <https://planoisd.rankonesport.com>. You will need your child's school identification number to register.

This system will allow us to have better oversight on athletic paperwork. It will also be much more efficient for the coaches and easier for the parents and guardians.

Thank you for your support of athletics. I hope your son or daughter has a great year.

Sincerely,

Gerald Brence
Athletic Director
Plano ISD
