**As a condition of acceptance at Toronto French Montessori School, it is understood that the rules and regulations of the school will be observed.**

**All payments of tuition must be paid by cheque and post-dated cheques must be submitted with registration. All monthly post-dated cheques must be dated for the first day of each month and every month from September until May. All registration paperwork must be completed and all post-dated cheques must be received before enrolment can be confirmed.**

There is no reduction in monthly fees due to absenteeism, Professional Activity Days (PA Days), school closures (due to inclement weather), and/or holidays. We strongly suggest that parents make the alternate arrangements well in advance for their child so that they are prepared for their child's illness, PA Days, and in case of school closures.
