Innovative Product Design

Help your clients add a level of sophistication to their walls with the highest quality canvas. Canvas Wrap PRO is built with a solid, supported face which prevents sagging or warping over time. We ensure your client’s canvas will always look as tight and flat as the day it was made.

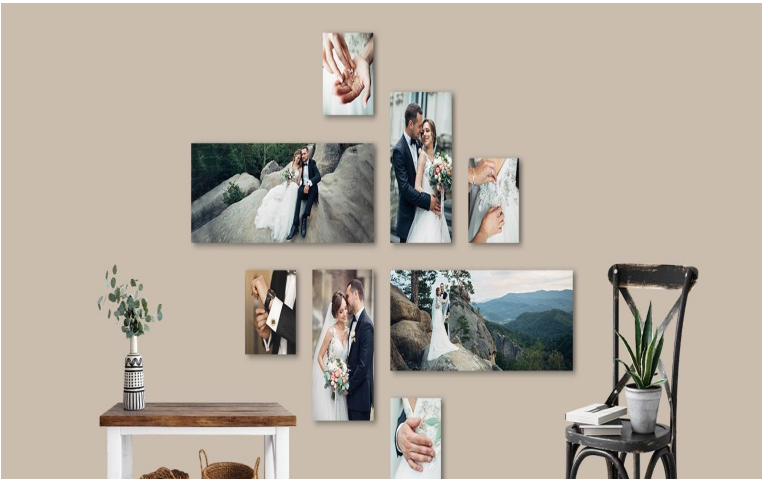

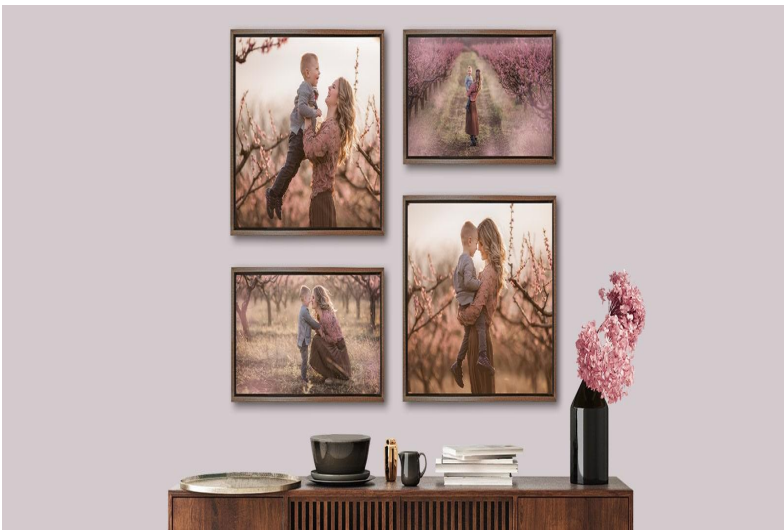

The Perfect Fit & Finish

Canvas Wrap PRO is available with your choice of four border styles- color wrap, blurred wrap, mirror wrap, and traditional natural wrap. Give your client's Canvas Wrap PRO a polished finish with the addition of a modern floating frame. Available in black, white, brown, silver and gold. Floating frames are made from sustainable North American poplar wood.

The Bottom Line

Canvas Gallery Wraps are the perfect final touch to creating lasting memories for your clients on prints that are as high quality as your photos. With our everyday low prices, you can easily grow your business while delivering professional quality Canvas Gallery Wraps to your clients.

Metal prints

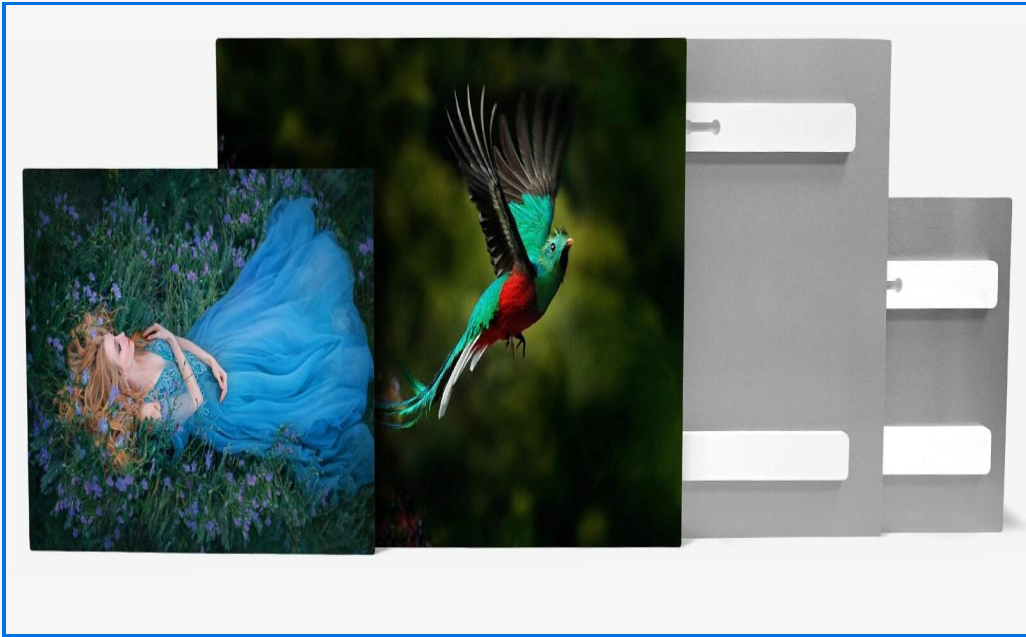

Believing is Seeing.

Our Metal Prints are crafted on high-gloss metal and come ready to hang. Our printing technology brings out the brightest colors and most contrasting black and whites. Perfect for landscapes, weddings, senior portraiture, and art. Everything looks amazing on Metal Prints MAX. | Production Time: Four Business Days.

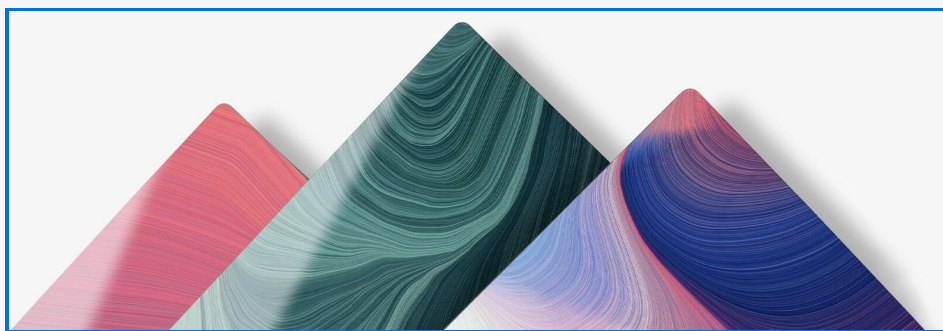

Sharp. Wide Color Gamut.

Images are infused directly into specially coated aluminum, Metal Prints MAX offer unsurpassed high gloss, color vibrancy, exceptional detail, color resolution and print permanence.

Bright. Bold. Beautiful.

Metal Prints MAX are made with an ultra-hard protective coating that is easy to clean. Brightly colored dyes are infused into our high-gloss metal, which creates a unique luminescent effect and true-to-life image clarity.

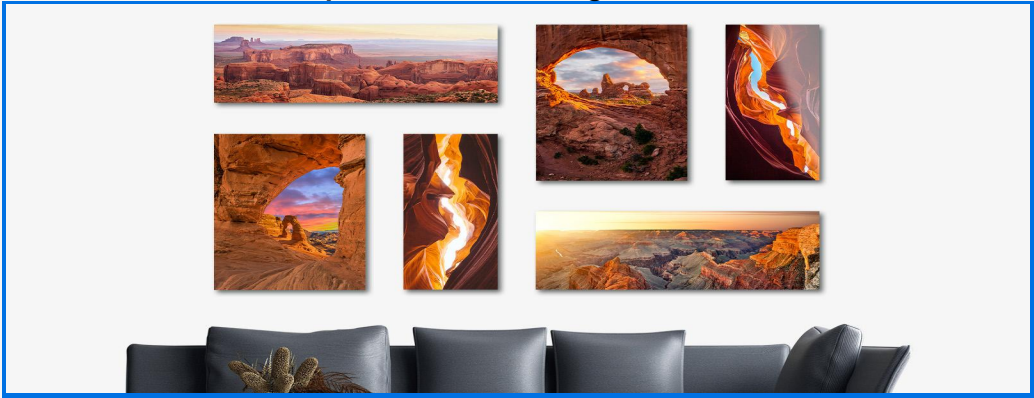

Elevate your work.

Our unique Metal Prints come ready to display on recessed float mounts. The larger Metal Prints includes a French Cleat, while smaller prints (16x20 and smaller) include a float mount, notched block hanger. Both giving the illusion of floating ½" off the wall.
