Your Future Our Focus

As a football and education programme, we pride ourselves on providing our players with the highest quality football and personal development to allow them to thrive practically on the pitch, as well as being good people off it. We are extremely lucky to have an incredibly dedicated and motivated group of staff and students who are keen to help develop the next generation.

Through our top-class facilities, resources and structure, our aim is to strengthen the skillset of our players, allowing them to follow a variety of pathways into the football and sports industry.

With the football and sports industries becoming increasingly competitive it is vital for us to not only develop our players on the pitch but also off it. This brochure outlines the outstanding provisions we offer as well as the remarkable facilities we have access to, and the significant partnerships that all help to create our esteemed academy.

We help students prepare, develop and enhance their performance to ensure they are ready for the wider world. We take our roles as coaches, role models and life educators seriously to ensure that no stone is unturned; we will be and need to be positive, enthusiastic and use the skills of our personalities to get the best out of individuals to ensure that the players experience is both unique and enriching. Winning is important and we don't want to undervalue this but winning is certainly not the only thing and for us the journey is far more important than the outcome. Our mantra is of making people better themselves. We want to be honest, hardworking, build confidence, take away fear, be patient but most of all inspire and motivate each and every player to achieve goals that they set through standards that we create, here at Precision Oxford.

Sincerely,

Harley Giles
Academy Manager

Craig Adey
Managing Director

Amy Taylor
Head of Education

The Environment

At Precision Oxford, our philosophy is simple: enjoyment, hardwork and togetherness comes first. When kids are having enjoying what they do, they thrive on the pitch, both as players and teammates. We aim to nurture their passion for football while helping them grow at their own pace, developing not just their technical and tactical abilities but also their understanding of teamwork, resilience, and sportsmanship.

What makes Precision Oxford different?

At Precision Oxford, every player matters. We tailor our coaching to the individual, ensuring every child is supported to develop their unique strengths. It's not about being the best now; it's about becoming the best you can be over time. We're more than just a team, we're a family. At Precision Oxford, players, parents, and coaches work together to create a supportive community where everyone feels valued and included.

Our promise

We promise to provide your children with the best possible environment to develop on and of the pitch. Our coaches focus is to not only improve each players footballing ability but also help and nurture them off the pitch. For us this is equally as important, ensuring we develop good people not just footballers.

What do we expect?

As with everything we do, we uphold professional standards as we see and treat ourselves as a professional outfit. We expect the same standards from players and parents. This journey should be enjoyable and we want parents to be as supportive as possible. Kids are allowed to make mistakes, this is how you learn and we want them to be learning constantly. Lionel Messi still gives the ball away!

The Football

Through our high-quality coaching and professional environment, we help to ensure that our players have the platform in place to fulfil their goals in the game and reach their potential. In our opinion the key to football and life in general is hard work and enjoyment. This is the basics that have made us as successful as we are and we plan to create our footballing environment with these at the forefront. The Junior Premier League is a player development focused league, driving innovation and ensuring every player has a premier experience competing against other talented footballers

Our Coaches

We are incredibly lucky to have such a large and diverse pool of coaches who the majority have been involved within academy set ups and currently playing at good levels of non-league football. Each of our coaches understand the importance and effect a coach can have on a player which is why the relationship we have with our players is so key. Every child is unique, and our coaches understand that. They tailor their approach to meet the specific needs of each player, helping them grow at their own pace while contributing to the team.

Site and Facilities

All our players train and play at the state of the art Tilsley Park site. As part of it's facilities, the site offers a first class, floodlight 4G stadium pitch, three newly resurfaced 5aside pitches along with a 7aside 4G pitch, a large classroom, and a UK Athletics' A Grade track and field. Tilsley Park is situated close to the A34 on the outskirts of Abingdon, Oxfordshire.

The Old Gaol

We have recently moved our headquarters to The Old Gaol located in Abingdon's town centre. This new investment has allowed us to create another home which has benefited both staff and students. It has provided us with an extra classroom, a hub where students can improve their work and simply an environment where students can feel safe and socialise.

A History of Success

ON the Pitch

At Procision, we pride ourselves on the performances of all our teams across all competitions. Since the year the programme commenced in 2018, our teams have gone on to claim 16 trophies, including 11 league titles as well as reaching the FA Youth Cup First Round Proper twice - you can find a full list of our achievements later in the booklet. But it's not just been about the titles and silverware, over the years, many of our students have now progressed to play a high level of football both in the men's and woman's game. Indeed, no more than 12 both former and current students helped Didcot Town to play-off glory during the 2022/23 season, achieving promotion to the Southern Premier League (Step 3). By creating a supportive and nurturing environment, we at Procision ensure every student is best placed to achieve their goals within the game. But don't take our word for it, hear from students, both past and present, on their experience on the programme.

AND

OFF the Pitch

Procision not only caters for aspiring footballers but, through our structured education programme, many of our students have gone on to progress to careers within the sports sector including roles as coaches, physiotherapists, journalists, analysts, and more! We are also proud to see so many former students advance into higher education - both going on to external universities and also those who have continued their studies here at Procision Oxford, through our partnership with Newbury College (please go to the 'Education' section for more information). Whether you already have a particular passion for a sector within the sports industry or you are just keen to explore what options are out there, Procision is the place to help you learn and guide you on the journey through the sporting world.

UK & European Tours

As part of the programme at Procision, we provide students with the opportunity to travel and play football across the UK and Europe through our renowned tours. These allow players to experience training and playing matches in different countries against local sides as well as creating some unforgettable memories in the process. In recent years, trips have included: Barcelona (a tour of the Camp Nou, Futsal Tournament, and attending a La Liga Match - Espanyol vs Athletic Madrid), Gibraltar (Group Training with a Professional Futsal Team), and Amsterdam (Watching the Woman's Champions League Final 2022/23 at PSV Eindhoven).

Holiday Camps

Precision Oxford proudly partners with Leigh Bedwell Goalkeeping to offer exceptional soccer camps tailored specifically for young goalkeepers and players. These camps focus on developing core skills, enhancing game understanding, and fostering a passion for football in a fun, supportive environment. With specialised training led by experienced coaches, including goalkeeper-specific courses led by Leigh Bedwell, players of all positions can develop and grow in confidence. We aim to create the perfect environment for young footballer to develop not only their skills but their love of the game.

Birthday Parties

Looking for a fun and memorable way to celebrate your child's birthday? Precision Oxford offers exciting football-themed birthday parties that are perfect for young football enthusiasts!

What We Offer:

- **Professional Coaching:** Led by experienced and friendly coaches who know how to make football fun for everyone.
- **Tailored Activities:** From skill challenges to mini-tournaments, we create a party experience that's customised to your child's age, skill level, and preferences..
- **Party Games and Prizes:** Fun football games, competitions, and awards to make every guest feel like a champion.
- **Optional Add-Ons:** Need help with gifts, medals or party bags? We can assist in making the day extra special.

Why Choose Precision Oxford?

Our parties are all about fun, inclusion, and teamwork, ensuring every child feels involved and has a fantastic time. Whether your child is football-mad or just loves to run around with friends, we'll create an unforgettable celebration.

How to Book:

1. Contact us at via our website to check availability.
2. Let us know your preferred date, location, and party details.
3. Sit back and relax while we handle the fun!
- 4.

Let's make your child's birthday a day to remember!

Meet the Staff

Craig Adey

Craig is Managing Director of the football programme at Procision. His background in coaching football for decades across the county has led him to the success he has now. He has experience in the running and development of education pathways since coming out of university. He played at Reading FC and has many football clubs within his coaching experience from youth to senior football. His love for football and futsal has allowed him to develop what is now the best football and education pathways in the country.

Amy Taylor

Amy is Head of Education and the Lead Sports Therapist at Procision Oxford. Highly experienced within football education pathways, she has been part of the academy since the beginning and has worked hard to grow an established and successful football and education programme. Amy has played for clubs including Preston North End and Oxford United as well as local sides in the Oxfordshire area.

Harley Giles

Having come through the Procision programme himself as a youngster, Harley is now Academy Manager alongside Craig and is the head of Maths and English. He is also a tutor and coach on the programme across both the boys and girls squads. Harley has been at Procision as both student and staff member for over 9 years. He played a key role in Didcot's promotion winning side of 2022/23.

Christian Lawrence

Christian is an unbelievable coach who has been involved in many different environments and settings. As a 16 year old Chris also went through a football education programme and since then has further developed his coaching. Chris spent a year in coaching in China before coming to Procision Oxford as Head Coach. The passion and effort he puts into his coaching is unrivaled and brings out the best in every player.

Jack Smith

Jack is a UEFA B licensed coach and tutor who has 9 previous years of experience delivering a football education programme at a National League football club. Jack has played at several clubs across the non-league pyramid including Eastleigh, Truro City, and Farnborough. Jack also both coached and played in Melbourne, Australia for the 2022/23 season. He is passionate in helping students reach their potential both on the pitch and in the classroom.

Harry Sturgess

Harry is head of the degree programme at the college as well as being both an academic tutor and coach for Procision Oxford. Harry has been with Procision for over 8 years and was a student on the first year of the programme back in 2017. He has progressed from student to now a fully employed and valued member of staff. He currently plays for Milton United.

Mathew Crowther

Matty is Goalkeeping Head Coach at Procision Oxford. He has come through the programme since its inception in 2017 - starting as a student and now being employed as a member of staff. He applies innovative goalkeeping methods within his sessions to ensure our goalkeepers get the highest quality of position specific training. Matty continues to play at Milton United.

Jordan Pierce

Jordan is an integral part of the Procision team. An original, class of 2017 student, he is now a fully employed Pastoral Coach for Procision, helping to oversee the support and wellbeing of all students on the programme. Jordan also experienced playing football overseas in the United States.

Casey Highmoor

Casey is now head of our newly formed golf course. Casey has been with us since 2019 and has been outstanding as a student and now staff member. He will have completed his degree along with his coaching and teaching qualifications by the start of the 25/26 academic year. We cant wait for him to develop and inspire our new cohort of golfers on and off the course this academic year.

Taylor Bedwell

Taylor is Lead Girls Coach at Procision Oxford and former student of the programme. An upcoming coach who has enjoyed a great first season working with the girls side, he is looking forward to continue to further the development of the girls on the programme. Taylor was an integral part of Didcot's promotion winning side during the 2022/23 season, where he is still playing.

Luca James

Our very own fashion designer. Luca is into his 7th year with us at Precision Oxford and during that time he has gone from student, to talent team to physio and S&C coach. he is an integral part of our u23 side and this year was one of the standout players. He also has now completed his degree!

Josh Grant

Josh is another who has recently completed his degree with us. Going into his 6th year as a student and staff member. This year he has transitioned into an academic tutor and has been outstanding. On the pitch he is a winner and demands the best out of everyone and the classroom is no different. A natural leader who pushes everyone to reach their maximum potential.

Fin Baker

Fin Baker is a very special human. He has an infectious personality that brings people together. Fin heads up our community work alongside Tyler and is brilliant at ensuring kids enjoy and develop their football. He is also our Futsal sides manager and joint manager with Tyler with our North Leigh Allied Counties side

Josh Hedges

Josh is firstly an outstanding footballer who raises the quality of sessions from simply being in them. As an assistant coach his knowledge and understanding of the game is great and demands a lot from our players. He is extremely supportive and brilliant at helping students thrive. He also provides set pieces for every team we have at the college.

Timmy Mungall

Timmy is not only a brilliant goalkeeper for our u23 side he is also a brilliant goalkeeping coach. He is intense in his coaching to push each goalkeeper to be better every single day. He is also brilliant with the students ensuring they are comfortable and apart of the family.

Casey Groves

The kit man. Casey is a vital part of the college. He ensures each session and game day has the correct kit and equipment needed. Casey takes off so much pressure from the coaches and is simply brilliant at his job. He is also brilliant with staff and students, a special person.

Connor Barrett

Connor Barrett is another talent team staff member whose coaching and one to one coaching is simply getting better and better. A footballer with tremendous technique is brilliant in leading by example in sessions. He along with Josh are key to set pieces across the college teams.

Tyler Webb

Tylers coaching has gone to another level this year. Heading up the community element with Fin they have ensured so many kids enjoy and develop their football. He is also join manager for the North Leigh allied counties team and has made a brilliant effect on them

Adam Smith

Our newest staff member Adam's job is to work specifically with our forwards. Adam himself is an incredibly intelligent and sharp attacker who plays brilliantly for the 23s week in week out. He is working hard to improve our forwards movement, finishing and sharpness. He has been a great recent addition to our staff team.

Auzzie Pervais

Auzzie has been an incredible addition to the team this year. He simply is making our student lives better by being involved in it. He is enthusiastic and willing to get involved in everything whether that is on the pitch or off it. A special human.

Charlie Herbert

Charlie became our head of social media following an unfortunate ACL injury which sidelined him for some time. Not only is Charlie doing an absolutely incredible job running all the social media platforms for all our teams, the way he has recovered from his injury is truly inspiring. He has worked incredibly hard to put himself in the position he is in today to be able to compete and play football at a good level again.

Kieran Day

Kieran is a brilliant member of our team. He is especially brilliant at talking to students and integrating them into the teams and the college. He has a special and unique skill to seamlessly fit into every environment which is key the personal development of our students. He is also an extremely talented footballer who probably doesn't realise just how good he is!

Noah Parsons

Noah is an extremely committed member of the team. Always willing and keen to do more in any aspect whether it is on the pitch or in the classroom. He naturally leads in everything he does which results in improved performance wherever he is involved. He is also always eager to improve and develop.

Robbie Gallagher

Robbie leads our social media element alongside Charlie and is keen to the individual development of our footballers. Rob works one to one and in small groups to all our players improving their technique and sharpness. His ability to coach and support our players is a key factor which makes Rob so special. On the pitch he leads by example and all our students can be inspired by how hard he works to improve himself.

George Rushton

George is another who simply improves others lives by being involved in it. A natural leader who leads by example in everything he does. Brilliant at ensuring the inclusion of our students and aids to the enjoyment they have while being with us at Precision Oxford.

Liam Webb

The don. Liam has been a great addition this year. He is a student of the game and is keen to develop in all aspects especially his coaching and management. He has also had a player coach role within the ML squad helping with their development on the pitch.

Anya Matthewson

Anya with a camera! Anya has been an incredible addition and one we are all extremely proud of. Anya is the first female staff member to go through the program before progressing onto the staff ladder. She now joins Amy as our female staff members and is currently being an inspiration to all our female students everyday. She will hopefully and most definitely be the first of many female staff members to go through the program.

Costs, Fees and Kit

Aside from our optional football tours, there are NO FEES for the programme! This includes all training, all education, shuttle bus and travel to and from games.

The only requirement for students is the purchase of training kit, examples of which are provided below. To view all of our kit options, please visit...
