

PRECISION FOOTBALL ACADEMY

RESIDENTIAL AND INTERNATIONAL ACADEMY

YOUR FUTURE IS OUR FOCUS

PRECISION FOOTBALL ACADEMY

YOUR FUTURE IS OUR FOCUS

Procision Football Academy are based in the South of England, running education and football courses for 16-19 year olds who strive to further their football development and gain careers in the sports industry.

We currently have 5 academy sites holding over 100 players in Oxford, Reading, Hungerford, Cirencester, Didcot & North Leigh. In partnership with clubs from National League South, Southern League & Other Semi-professional clubs.

Each site with a dedicated team of UEFA qualified coaches, specialist tutors, physiotherapists & fitness and conditioning trainers all designed to fit an individual and teams needs.

PRECISION OXFORD FOOTBALL ACADEMY

YOUR FUTURE IS OUR FOCUS

Precision Oxford are based at state of the art facilities of Tilsley Park.

Precision Oxford offers scholars the opportunity to combine full - time football with studying A - levels, Level 3 BTEC's & Degree qualifications.

Academy teams compete in Hellenic League, FA Youth Cup, Tactic League and Tactic Cup.

PRECISION READING FOOTBALL ACADEMY

YOUR FUTURE IS OUR FOCUS

Based at Rivers Ibis Health Club in Reading and delivered in partnership VLUK (Virtual Learning UK) offers scholars the opportunity to combine full-time football with studying the BTEC Level 3 Extended Diploma in Sport.

Teams compete in the ECFA League, Tactic League & VLUK League.

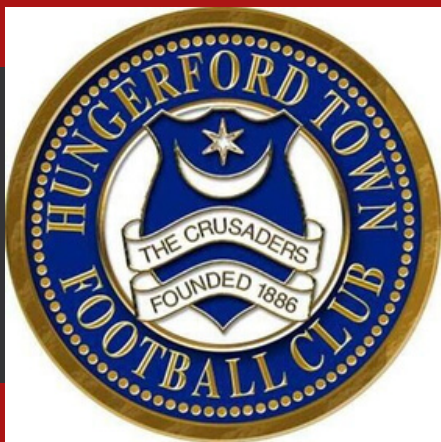

PRECISION HUNGERFORD FOOTBALL ACADEMY

YOUR FUTURE IS OUR FOCUS

Based at Park House School in Newbury and delivered in partnership with National League South Hungerford Town FC offers scholars the opportunity to combine full-time football with studying A Levels, BTEC and Level 2 qualifications.

Teams compete in the National League U19 Alliance, FA Youth Cup and ESFA Elite Cups.

DIDCOT TOWN FC ACADEMY

YOUR FUTURE IS OUR FOCUS

Didcot Town Academy in partnership with Didcot Town FC has become our newest site.

Didcot Town FC play in the Southern League Division One Central and have a proud history of developing youth players through the ranks into their first team.

The students will be able to have the chance to be part of the Didcot Town Development team with the possibility of playing with the first team and utilise the wonderful facilities at the club.

NORTH LEIGH FC ACADEMY

YOUR FUTURE IS OUR FOCUS

As a huge part of expanding the Procision Family, we will be opening a brand new football academy in the 2020 academic and football season, partnering with North Leigh FC.

Based just outside of Oxford, North Leigh FC are an established semi-pro club in the Southern League Division One Central.

The new academy will be named North Leigh FC Academy which will be for 16-19 year old's to carry on developing and studying the sport they love.

We work closely with the club all under one name, giving academy players the chance to make a name for themselves in the first team to carry on improving and challenging themselves. North Leigh FC Academy will be a benchmark for future academies and programmes within football clubs.

TRAINING AND MATCHDAY

YOUR FUTURE IS OUR FOCUS

- 4 x 2 hour training sessions per week delivered by our UEFA qualified coaches
- Sessions that focus on Technical, Tactical, Physical & Psychological aspects of the game
- Session structure will vary but will involve either; Technical Practices, Opposed Practices, Phases of Play, SSG's/11v11
- Individual Strength & Conditioning programme designed and monitored by a trained Professional
- Access to a full time Physiotherapist

-
- We play up to 2 matches per week, home and away.
 - Every player getting gametime in either the cup or league matches.
 - Each matchday game is recorded and analyzed by the coaching team and players, as a indication on what aspect to improve the team weekly.

16-19 EDUCATION

YOUR FUTURE IS OUR FOCUS

FITNESS AND CONDITIONING

YOUR FUTURE IS OUR FOCUS

Radley Radley college is a state of the art facility where you will find the McKenna Strength and Conditioning Centre, the Pavilion, The Sport Centre and The Rowing Tank. The McKenna Strength and Conditioning suite offers a wide range of resistant based equipment and cardiovascular machines with audio visual capabilities. In here is where we train our students in order to develop all aspects of the physical side of the game of football. Personalised programmes are written for you to follow whilst in the centre whilst being observed by our qualified members of staff. The Pavilion is the perfect environment to allow knowledge and understanding to be gained during theory based lessons. The use of the big screen is there to allow for presentations and analysis to be viewed whilst looking out over the Radley College sports grounds. The Rowing Tank is the ideal place for our students to complete their time in the ice baths in order to enhance their recovery from an intense week of training and matches. The students use this every week to help flush out the tissues to help recovery take place and promote injury prevention. The Sports Centre holds the 25m swimming pool with adjoining 3.5m diving pit. This is where we end our recovery days with a relaxed swim programme and stretching session. Again this day is geared towards recovery and injury prevention based on the students having an intense playing schedule throughout the week.

FITNESS AND CONDITIONING

YOUR FUTURE IS OUR FOCUS

REHAB

Supporting the programme we have a full time qualified sports therapist. During both training and match days they are on hand to assess, diagnose, treat and rehabilitate any injuries that arise.

They work alongside the coaching staff in order to promote injury prevention and preseason programmes.

Having the use of Radley College Strength and conditioning suite enhances the ability to strengthen and rehabilitate our athletes back to full fitness.

FITNESS PLANS

Making the most of our staffs qualities and expertise, students are able to have personalised fitness programmes to complete alongside their programme at Procision Oxford.

These are able to be developed and progressed throughout the season in order to support the students.

Areas such as cardiovascular endurance, speed, power, flexibility and strength can be developed by the use of these personalised fitness plans.

PROCISION OXFORD ACADEMY KIT

YOUR FUTURE IS OUR FOCUS

Our full time academy players are required to wear Precision Oxford training kit during football sessions and education lessons.

The kit is our identity and our safeguarding. The kit bundles include; personalised training kit, home and away match day kit & winter and summer apparel.

To take a look at the bundles we offer, please visit

<https://precisionfa.com/kit>

PROCISION TRIPS AND TOURS

YOUR FUTURE IS OUR FOCUS

Each year Procision Academy go away for up to 10 days for a football residential with the squad and coaching staff.

Previous tour destinations include Barcelona, Tenerife, Portugal and Croatia.

With the whole schedule planned by the company and 4* star, safe, private accomadation booked.

The trip includes; Training everyday with up to 2 games in the week with local academies and clubs, going to watch clubs such as Barcelona, Sporting Lisbon, Real Madrid and Dyamo Zagreb. Days out at water parks, laser questing, bowling and much more..

Some more of our trips include;

Games away at academies up and down the country, Loughbourogh University contact days for fitness investigations, football residentials in the peak district which includes training and games & educational visits to support their learning.

WORK EXPERIENCE FOR STUDENTS

YOUR FUTURE IS OUR FOCUS

As a big part of studying with us, we offer students to take up work experience at a football club have connections with. Students can do from 1 week to up to a season, with roles such as coaching development teams, working within fitness and conditioning, analysis and many more..

Currently we have students working in the youth academy at Ardley United FC, coaching the reserve team at Oxford University & working within PE departments at schools.

We try to give students as much experience as possible within the academic year to support thier study programme and make them more employable.

This is supported by completing CV's and covering lessons in class, practise interviews and setting personal and career targets to achieve whilst on placement.
