

## East Coast IV Menu Ocean City MD

### The Super Immune Stimulus 215

We are pleased to introduce our Super Immune Stimulus IV. This IV therapy was designed to restore your bodies essentials while giving it an additional boost to maintain an optimal immune system and increase energy. The EC Super Immune Stimulus boasts a 500% increase in vitamin C, a 100% increase in Glutathione, B-12, B-complex, Zinc, magnesium, and 1000 mL of lactated ringers.

### East Coast Hangover Miracle 155

Stayed out a little too late and partied a little too hard? It's OK, it happens to the best of us. The East Coast Hangover Miracle will get you back up on your feet with 1000 ml of IV fluids, Vitamin B-Complex, and a dose of anti-nausea medication.

### The East Coast Performance 155

Developed for athletes before or after a strenuous workout or event. This treatment will flood you with fluids, electrolytes and nutrients to help you recover faster, improve circulation and detoxify your body to get you back up and moving. This treatment includes 1000 ml of IV fluids, B-Complex and Glutathione.

### The East Coast Energy Booster 150

Say good-bye to caffeine and high-sugar energy drinks and the inevitable crash. Delivering IV fluids, vitamins, and minerals to your bloodstream allows your body to quickly absorb essential nutrients for fast results and longer lasting energy. This treatment includes 1000ml of IV fluids and a Vitamin B12 injection.

### The East Coast Migraine Relief 150

Don't let a migraine ruin your vacation. With the East Coast Migraine relief treatment, we will give you comparable Emergency Room treatment in the comfort of your own home. This treatment includes 1000 ml of IV fluids, Magnesium and a dose of an anti-inflammatory medication.

### The East Coast Weight Loss Booster 185

Having problems shedding some of those excess pounds? Combined with proper nutrition and exercise, this all-natural infusion will gear up fat metabolism, to help you shed those unwanted pounds. This treatment includes 1000ml of IV fluids, B-complex, B-12, Glutathione, lipo-B injection and L-Carnitine.

### The East Coast Beauty 160

Give this treatment a try and it will become a normal routine. The antioxidant properties of Vitamin C and its role in collagen synthesis make it a vital molecule for skin health. Vitamin B can help to improve its condition while Glutathione supports healthy, glowing skin and removes toxins from the body. This treatment includes 1000 ml of IV fluids, Vitamin C, B-Complex and Glutathione

### The East Coast Myers 160

Named for the late John Myers, M.D., a Baltimore physician who used intravenous injections of nutrients to treat many chronic conditions. Conditions that respond well to this treatment include acute asthma attacks, migraines, fatigue, Chronic Fatigue Syndrome, Fibromyalgia, acute muscle spasm, upper respiratory tract infections, chronic sinusitis, and seasonal allergies. This treatment includes 1000ml of IV fluids, Calcium Gluconate, Magnesium Chloride, Vitamin C, and B-complex.

### The East Coast Re-hydrate 135

The East Coast Rehydrate is designed to replenish vital fluids to your body that have been lost from strenuous activities. Hydration allows your blood to deliver oxygen to your muscles, remove waste, distribute hormones, and lower your heart rate during exercise. This treatment includes 1000 ml of IV fluids and is ideal for athletes and individuals who work in extreme temperatures.

### The East Coast Immune Booster 150

Cold and Flu season around the corner? Are you feeling down? No matter what, our immune booster infusion will help you feel your absolute best. This treatment includes 1000 ml of IV fluids, Vitamin C and Zinc.
