CORE COMPETENCIES

DropReach Global delivers strategic technology consulting, project management, and full-stack staffing solutions that enable federal, state, and municipal agencies to achieve mission success with speed, compliance, and measurable results. Our services integrate emerging technologies, agile program delivery, and cleared personnel placement, giving agencies the agility and technical depth to meet evolving operational requirements.

OUR CAPABILITIES INCLUDE

- **Technology Consulting** – Systems integration, digital modernization, IT infrastructure design, cybersecurity readiness, and cloud migration.
- **Project & Program Management** – PMO setup, agile/DevSecOps delivery, risk management, and mission-critical program execution.
- **Full-Stack Staffing Solutions** – Rapid deployment of technical, administrative, and cleared personnel for surge, contingency, and long-term needs.

DIFFERENTIATORS

- **MBE & Small Business Advantage** – Positioned to help agencies meet small business and minority set-aside requirements.
- **Scalable, Secure Delivery** – Proven frameworks to integrate technology and personnel into high-visibility programs without disruption.
- **Compliance-First Approach** – All solutions align with FAR, DFARS, NIST, and agency-specific standards.
- **Ohio Headquarters, National Reach** – Strategically located to serve both regional and nationwide requirements.
- **Future-Ready Workforce Solutions** – Integrated recruitment, training, and retention pipelines to meet ongoing talent demands.
