# 2024 Executive Summary

## A New Name, a Stronger Future

### *Introducing Hearts and Hands Helping Seniors—The Next Chapter of LAIVC*

As we reflect on 2024, this year has been one of gratitude—remembering how far Laurel Area Interfaith Volunteer Caregivers has come—and anticipation, dreaming of how far we can go in serving our aging neighbors. Since 2001, when this incredible organization was founded, and 2002, when our first recipient received services from a compassionate volunteer, our mission has remained unwavering. We have been, and always will be, dedicated to providing compassionate, personalized support that empowers local seniors to live confidently, age well, and stay connected to the heart of their community.

In January 2025, our name changed to **Hearts and Hands Helping Seniors**. This is not a shift in purpose but a reinforcement of who we are and what we do. It highlights the core of our work—uniting hearts and hands to create a meaningful impact in the lives of seniors. Whether through a reassuring phone call to ensure a recipient hears a friendly voice instead of a telemarketer, a grocery shopping trip that keeps cupboards full without high delivery fees, or transportation to medical appointments to ensure vital healthcare remains accessible, we have always been here to provide essential assistance. As we move forward, we want to assure everyone that we will continue to provide access to vital services and serve as a conduit to valuable community resources.

We often hear the phrase, “*Just give me the facts.*” Here are some facts from 2002 through 2024:

- **Total Recipients Served (2002–2024): 2,353**
- **Total Volunteer Hours Provided (2002–2024): 166,201**

These numbers tell a story—a story of compassion, dedication, and community. But they are more than statistics; they represent people. Individuals whose lives have been touched, whose hearts have been warmed, and whose connection to their community has been strengthened.

Hearts and Hands Helping Seniors aligns with our **vision: Compassionate Hearts, Connecting Hands, and Creating Hope**. It reflects our **core values** of **compassion, integrity, generosity, and inclusivity**. This new name underscores our promise to meet the evolving needs of our aging neighbors.

For 23 years, we have relied on the generosity of our community. Together, we can ensure that every senior feels supported, valued, and connected. Thank you for being part of our journey—past, present, and future—as we embrace this exciting new chapter.

Respectfully Submitted,

*Amy McLendon*

## Seniors Supporting Seniors Program

Students from River Valley School District make every LAIVC recipient's birthday extra special by calling and singing to them.

Creating opportunities for special people generations apart to exchange love, compassion, and kindness has been a tremendous blessing. Eternal memories are created in a 3 minute phone call.

# Advent Angels

*Special Program*

Our Advent Angels—a dedicated group of knitters, crocheters, and sewers—work all year to create beautiful handmade gifts for our program recipients.

Local businesses donate special goodies, and our amazing volunteers personally deliver each heartfelt package.

As an extra way to spread joy, we also take gift bags to local care home residents.

Together, we're making the holiday season warmer and brighter for so many!

Want to share your talent? Become an Advent Angel today!

Getting my Christmas gift made me feel so loved. I don't have any family, so it was the only gift I got, and it meant more than I can say. The volunteer who brought it was so kind, and I really enjoyed getting to talk with them. It made me feel remembered, and that means everything. Thank you so much!

—Advent Recipient

Many parishioners also share their time, talents, and resources to support our mission, and we deeply appreciate their kindness and commitment.

Through this program, students are paired with a recipient and meet with them weekly, fostering meaningful connections. We look forward to the continued success and growth of this partnership.
