March 2020*

*Dear Good Neighbors for Life,*

*Laurel Faith in Action is extremely grateful for your continued support and generosity. With the current COVID-19 issues our community is facing, it has become necessary to postpone our Celebration of Community event that was scheduled for May 1, 2020. With the current closure of the Saint Vincent College Campus, the temporary closure of all non-essential businesses, and the strong “recommendations” to stay home, this decision is the only prudent action to ensure the well-being of everyone involved.*

*This event is not cancelled, it is just postponed until it is deemed safe to gather together to celebrate the amazing community in which we live. The continued philanthropic generosity is essential to the future of Laurel Area Faith in Action and our ability to continue to serve our aging neighbors. I realize that many of you have already sent in your sponsorship. If the changing times make it necessary, I will return your donation. However, it is my sincere hope that your generous sponsorship donations will remain with Laurel Area Faith in Action to help sustain us through this unprecedented and uncertain time. We will indeed recognize your generosity at the event when it is able to be rescheduled.*

*Let me assure you that even though I am writing this from my kitchen table as we are working remotely, we are still very much providing services to our community. We have volunteers grocery shopping, picking up medication, and staff is providing services including but not limited to telephone reassurance to our recipients as well as our volunteers.*

*I want to once again thank you for your continued support and ask for your prayers to be with all of our brothers and sisters around the globe for health, hope, and a return to life as we knew it prior to COVID-19 entering into our vocabulary and our lives.*

*Good Neighbor for Life*

*Grace and peace,*

*Amy L. McLendon  
Executive Director*
