## WELCOME TO AGE ZERO

### EXOSOMES IN STRENGTHS OF 10 OR 50 BILLION

Our Age-Zero exosome products are designed to be applied topically in conjunction with facial, neck, décolletage, hands and scalp microneedling and laser treatments, and other skin abrasion aesthetic procedures to promote recovery time and enhance treatment results by working in unison to turn back the clock on the appearance of fine lines, micro wrinkles, discoloration, tone, brightness, and texture.
