

## **Humanism - Part 2 – From the Garden to the Classrooms**

### **Humanism in the Modern Age**

Humanism has been a tool of the satanic systems throughout human history. Advances in technology, especially the mobile phone have deepened the narcissistic tendencies of humanity.

We are full of pride with little pockets of humility whether you are referencing our culture in general or Christians Specifically. The path of darkness will not change if our self-absorbed culture's direction remains the same.

### **Types of Humanism**

#### **Secular Humanists**

- believe man has no soul and that there is no life beyond the grave
- believes there is no spiritual world and no God

**Psalm 53:12** *The fool hath said in his heart, There Is No God.*

#### **Cosmic Humanists**

- New Agers that follow the New Age Movement (back to Shinar)
- believes that the soul repeatedly passes from one body to another at the point of death until the person has outweighed their good deeds (good karma) against their bad deeds (bad karma).
- Once a New Ager has lived enough lives to acquire enough good karma, they can become an ascended master within the spiritual real.
- believes the spiritual world is really all that exists, and that the natural world is really an illusion.
- believes that all is god (pantheism) and that god is in all (panentheism) and that every person can become as god (back to Shinar)

So the bottom line is there are two types of humanists and both deny the God of the Bible.”

(Humanists, The Humanists Manifestos, and Their Worldview War on America By Brannon Howse, 05 February, 2018)

## **In Their Own Words**

“I use the word “humanist” to mean someone who believes that man is just as much a natural phenomenon as an animal or plant; that his body, mind and soul were not supernaturally created but are products of evolution, and that h is not under the control or guidance of any supernatural being or beings, but has to rely on himself and his own powers.” Sir Julian Huxley, Director-General of UNESCO, founding member American Humanist Association, quote from brochure once distributed by AHA. UNESCO is where we get Common Core or the One World Educational System to dumb down and program the masses!

“The humanist refuses to accept a God who speaks as only God could speak, with an ultimate, unquestionable authority. Rather, he turns to himself as the ultimate source of truth, usurping-in his own imagination-the authority of the living and true God.” (Kevin Swanson, Apostate The Men who Destroyed the Christian West)

Dr. Richard Seed (1994) – “We are going to become gods. Period! If you don’t like it – Get off. You don’t have to contribute...You don’t have to participate. But if you’re going to interfere with meee...becoming God, you’re going to have big trouble. We will have warfare. The only way you can prevent me...is...is to kill me. You kill me...I’ll kill you.”

Tal Zak - Moderna’s chief medical officer (2017 TedTalk) on mRNA - “We are actually hacking the software of life”

## **The Religion of Humanism**

**“The religion wherein man is the measure and goal of all things. His promotion, glory and pleasure are the ultimate purposes of his existence. He needs not God for he is his own God.”**

**Genesis 3:5** *ye shall be as gods..*

**1) Of the Mind – First Principle of Humanism** – (1) Knowledge of the world is derived by observation, experimentation, and rational analysis. Remember how the world is using the imagination to gain control of the mind of man and especially the young! The center pieces are science and the arts! There is no need for some supernatural superstitious creation of feeble less evolved men!

**2) Of Works – Works of the flesh** – you do something – you are saved by something you have done. Third, Fourth and Sixth Principles of Humanism – (3) Ethical values are derived from human need and interest as tested by experience. (4) Life's fulfillment emerges from individual participation in the service of humane ideals. (6) Working to benefit society maximizes individual happiness. All of these principles are done without God passed down from the Cainite religions – we can accomplish by our testing, by our participation in service, by our working to benefit based on what we decide is good and right.

**3) Of the Flesh – the idea**, what can I do to bring me pleasure, contentment, wholeness, heaven on earth? Foolishness! I can do no work that is good enough to get me to heaven and past my sins! It is in God alone **2 Timothy 1:12**, “I know whom I have believed.”

**4) Of the Anti-Christ** – (5) Humans are social by nature and find meaning in relationships. Values based on human circumstances, interest, and concerns and extend to the global ecosystem and beyond. Truth by committee! Remember the words of Hillary Clinton about the raising of children? She said it takes a village!!!! **2 Corinthians 11:4, 13-15**, *For if someone comes and proclaims another Jesus that the one we proclaimed, or if you receive a different spirit from the one you received, or if you accept a different gospel from the one you accepted, you put up with it ready enough. For such men are false apostles, deceitful workmen, disguising themselves as apostles of Christ, And no wonder, for even Satan disguises himself as an angel of light. So it is no surprise if his servants, also, disguise themselves as servants of righteousness.*

**5) Of Rejected Apostates** – **Jude v.11** – *Woe to them! For they walked in the way of Cain, and abandoned themselves for the sake of gain to Balaam's error and perished in Korah's rebellion.* Cain – Without the Blood; Balaam - Without the Supernatural; Korah – Without the Mediator

**In Summary Humanism is naturalism and the idea that man is a byproduct of a continual evolutionary process void of a supreme orchestrator driven only by random chance.**

### **Of Rejected Apostates**

Based on the book, *Apostate The Men Who Destroyed the Christian West* by Kevin Swanson

Christianity had tremendous influence on the pagan cultures from 475-1200 AD. Beginning in 1200 to today the humanist ideologies have worked their way to into western culture and the Church until the point of dominance.

Beginning in the 1200's with **Thomas Aquinas** who proposed two systems of knowledge: Sacred and Secular (philosophical) where he credited fallen mankind with the ability to establish reliable philosophical knowledge based on human reason. This division of knowledge lead to the expansion of secular thought (Worldly) at the expense of sacred (Biblical) resulting in less than ten percent of Americans having a Biblical Worldview today!

In the 1600's we have **Rene Descartes**, "father of modern philosophy" who resolved to seek "no other knowledge" than that found in himself and the "great book of the world." (Pg.47) Fundamental to the humanist philosophy.

In the 1700's there is **Jean-Jacques Rousseau**, who is credited with giving birth to the modern age. Will Durant says of Rousseau, "had more effect upon posterity than any other writer or thinker of the eighteenth century in which writers were more influential than they had ever been before." Rousseau had a significant influence on government (private property and wealth distribution), schools (state vs. parent, mandatory attendance) and the church (Christians would not make good citizens).

Historian Paul Johnson said this about Rousseau, "But Rousseau was the first to combine all the salient characteristics...the assertion of his right to reject the existing order in its entirety; confidence in his capacity to refashion it from the bottom in accordance with principles of his own devising; belief that this could be achieved by the political process; and, not least, recognition of the huge part instinct, intuition, and impulse play in human conduct." Paul Johnson, *Intellectuals*.

Rousseau's philosophy had a great influence the French Revolution and Robespierre that gave us the first of the modern revolutions and the reign of terror, the guillotine, forced redistribution of wealth, and 40,000 dead bodies. (Pg. 63)

Biographer Otto Scott, wrote, "Robespierre died, but folly has a virulence that outlasts its inventor. He inspired more Communes, more Voices of Virtue, more Lenins and Castros and Maos, more murder and hatred, more death and misery, than any other of the Sacred Fools that have emerged to plague honest men." Otto Scott, *The Fool as Revolutionary*

Then comes the 1800's with the **Jeremy Bentham** and his utilitarianism recommending any actions which produce the most pleasure and happiness for the most people in the long run are to be desired. Along with **Ralph Waldo Emerson** and his transcendentalism, which greatly influenced other writes such as Herman Melville, Walt Whitman, Henry David Thoreau, and Robert Frost. These two men along with Walt Whitman were instrumental in bringing homosexuality and for Bentham both homosexuality and pedophilia out in their philosophies and writings.

Next comes **Karl Marx**. "Karl Marx has had more impact on actual events, as well as on the minds of men and women, than any other intellectual in modern times." (Paul Johnson, *Intellectuals*) His ideological progeny – Josef Stalin, Mao Tse Tung, Pol Pot, and Fidel Castro. He is responsible for more deaths as the "humanist of humanist" in recorded history.

His philosophy summed up in his Communist Manifesto, "Communism abolishes eternal truths, it abolishes all religion, and all morality." "We destroy the most hallowed of relations, when we replace home education with social." A man inspired by Satan became the most influential in modern history.

Next, **Charles Darwin**, followed in the footsteps of his grandfather Erasmus Darwin (humanist and evolutionist) and father Robert (free-thinker) and influenced by Jean-Jacques Rousseau brings us the most influential book in history second only to the Bible - *On the Origin of Species by Means of Natural Selection, or the Preservation of Favoured Races in the Struggle for Life*. On the Bible Darwin said, "no more to be trusted than...the beliefs of a barbarian."

Finally in our 1800's influencers we have the Philosopher by the name of **Friedrich Nietzsche**. Without question he held more influence than any other philosopher on the makers of the 20th century. It is well documented his influence on Hitler, and Hitler on Mussolini. Nietzsche's parable The Madman ended with these words; "*What are these churches now if they are not the tombs and sepulchers of God?*" He declared God was dead and the 20th century man experienced more death in war than the first 19 centuries combined. The 21st Century is well on its way to being more deadly for mankind than even the 20th century! Malcolm Muggeridge said "that if God is dead somebody else is going to have to take His place. It will either be megalomania or erotomania, the drive for power of the drive for pleasure, Hitler or Hugh Hefner." He also added "that we have lost our moral point of reference because we have forgotten that most empirically verifiable (though most denied) part of human experience – the depravity of man."

The Oxford atheistic philosopher Jonathan Glover was asked this question: "If you, Professor Glover, were stranded at the midnight hour in a desolate Los Angeles street and if, as you stepped out of your car with fear and trembling, you were suddenly to hear the weight of pounding footsteps behind you and you saw ten burly young men who had just stepped out of dwelling coming toward you, would it or would it not make a difference to you to know that they were coming from a Bible study?"

The 1900's brings us **John Dewey** America's leading educational philosopher, "father of progressive education," was influenced by Rousseau, Kant, Descartes but Charles Darwin had the greatest influence according to his article, *The Influence of Darwin on Philosophy*. His book *Democracy ad Education* was ranked the fifth most harmful books of the 19<sup>th</sup> and 20<sup>th</sup> centuries by a group of 15 conservative leaders behind only Marx's *Communist Manifesto*, Hitler's *Mein Kampf*, Mao Zedong's *Quotations From Chairman Mao*, and Kinsey's *Kinsey Report*. (Ten Most Harmful Books of the 19<sup>th</sup> and 20<sup>th</sup> Centuries" *Human Events*, 2005)

Dewey became one of the signers of the Humanist Manifesto in 1933 and in his My Pedagogic Creed, he states, "I believe that in this way the teacher is the prophet of the true god and the usherer of the true kingdom of god." Meaning – god/man – kingdom of man. He was instrumental in bringing the Frankfurt School communist leaders to America whose declared goals

were to destroy Christianity, Christian Morals, the family, and patriotism. Successful?

His system of education has taken us from Ninety-Nine Percent Literacy rate with no mandatory government school attendance to under Fifty Percent Literacy Rate today with mandatory government school attendance with free breakfast and lunch.

## **Worldly Wisdom**

**Free From The God Delusion** - From great Philosophers of the past like Plato and Aristotle to the French revolutionaries such as Rousseau in throwing off the authority of kings, and we then are enlightened by Engles and Karl Marx in establishing the right of men to rule themselves free from the God delusion. In 1848 Karl Marx brought to the world his Communist Manifesto which was an economic and political move to eliminate the free-market system and replace it with omnipotent government power so as to develop a communist socialist state. Today we will find Marx's philosophy disguised in the Global Climate Change Movement, Sustainable Development, Agenda 2030, or the Great Reset! During this time American Leadership has moved from John Winthrop to Joe Biden. From Home of the Brave to Home of the Perverted!

**The World Systems** of Today from the UN, UNESCO, NATO and the WEF, to your local pre-school are part of this Humanist System! Unfortunately, so are America's Churches led by WOKE pastors preaching the lie of Cultural Marxism, Critical Race Theory and the LGBTQP... agenda.

**WOKE Pastors** - Those in the pulpits are comfortable preaching comfortable sermons on comfortable topics making sure to keep their flocks comfortable so that everyone is comfortable in their comfort! This has resulted in the majority of Christians still feeding from a baby bottle of warm milk and very few maturing to the point of being able to handle the meat of the Word - those hard saying!

American Christianity moved from the preaching of Jonathan Edwards to Christian Humanism of Joel Osteen, focusing on the humanity of Jesus, his social teachings and his propensity to synthesize human spirituality and materialism. Failing To Teach That Jesus Is The Judge Of The World And We Will Be Held To Account Whether You Believe In Him or Not! **Matthew**

**12:36** *But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment.*

## Today's Philosophers

*"if a man were permitted to make all the ballads he need not care who should make the laws of a nation"* Andrew Fletcher 1653-1716

The Culture has moved from listening to Sebastian Bach's chorales to Cardi B and her #1 selling WAP (to vulgar to say or print) which was performed at the last Grammy Awards 2020.

These are the lyrics (chorus) to the Number One Song Of the Last Decade

I'm too hot (hot damn) - Call the police and the fireman - I'm too hot (hot damn) - Make a dragon wanna retire, man - I'm too hot (hot damn, hot damn) - Bitch, say my name you know who I am - I'm too hot (hot damn) - And my band 'bout that money - Break it down... - Girls hit your hallelujah (ooh) - Girls hit your hallelujah (ooh) - Girls hit your hallelujah (ooh) - Cause uptown funk gon' give it to you - 'Cause uptown funk gon' give it to you - 'Cause uptown funk gon' give it to you - Saturday night and we in the spot - Don't believe me just watch (come on)

Just Released – “Message from the Gay Community.”– Sung by the San Francisco Gay Men's Chorus

(Spoken) As we celebrate **pride** on the progress we've made over these past years there's still work to be done. So, to those of you out there who are still working against equal rights, we have a message for you:

(Sung) You think we're **sinful** - You fight against our **rights** - You say we all lead lives you can't respect - But you're just frightened - You think that we'll corrupt your kids - If our agenda goes unchecked - **Funny, just this once, you're correct - We'll convert your children** - Happens bit by bit - Quietly and subtly - And you will barely notice it - You can keep them from disco - Warn about San Francisco - Make 'em wear pleated pants - We don't care...We'll convert your children...We'll make them **tolerant and fair** - (Spoken) At first, I didn't get why you'd be so scared of us turning your children into **accepting, caring** people but I see now why you'd have a problem with that (Sung) Just like you worried - They'll change their group of friends - You won't approve of where they go at night (to protests)

- Oh, and you'll be disgusted (so gross) - When they start finding things online - That you've kept far from their sight (like information...) - Guess what? - You'll still be alright! - **We'll convert your children Reaching one and all - There's really no escaping it - 'cause even grandma likes Rupaul** - And the world's getting kinder - Gen Z's gayer than Grindr - Learn to love - Learn to vogue - Face your fate! - We'll convert your children - Someone's gotta teach them not to **hate** - **We're coming for them - We're coming for your children - We're coming for them - We're coming for your children** - For your children - You're children will care about - **Fairness and justice** for others - Your children will work to convert - All their sisters and brothers - Then, soon, we're almost certain - You're kids will start convertin' you! - The **gay agenda is coming home - The gay agenda is here!** - But you don't have to worry - 'cause there's nothing wrong with - Standing by our side - Get on board in a hurry - Because the world always needs - A bit more **pride** - But you don't have to worry - 'cause there's nothing wrong with - Standing by our side - (The Gay Agenda) - Get on board in a hurry - Because the world always needs - A bit more **pride** - (The Gay Agenda) - Come on, try a little **pride!** - We'll convert your children - Then we'll turn to you - **Giving up the fear inside - Is freeing like you never knew!**

**But if there is one song that stands out as the one song that best represents humanism it would be “My Way,” by Frank Sinatra**

## **WORD**

**2 Corinthians 4:4** *In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.*

Satan the god of this world, the prince of darkness is now worshipped by more people than anytime in human history. People love the world and the things of this world. Those that love this world have had their hearts darkened, their understanding blinded, their prejudices and ignorance increased by their god Satan.

## **WORSHIP**

**1 Corinthians 14:24-25** *But if some unbelieving outsiders walk in on a service where people are speaking out God's truth, the plain words will*

*bring them up against the truth and probe their hearts. Before you know it, they're going to be on their faces before God, recognizing that God is among you.*

There is nothing outside of the Word's of God found in His Book the Bible that can so transform the heart of man! Would the apostles of the first century church recognize the Jesus that is preached today? Would they hear the plain words of scripture preached as the main course or just as an appetizer?

Our worship to be of full affect must be all about glorifying the God of the Bible as revealed in His own Words!!!
