

WHAT IS TERAHERTZ FREQUENCY

*In 2004 the US Government name THZ TECHNOLOGY as
“One of the top ten technologies that will change the future world.”*

WAVE OF LIFE

BY THE AMERICAN SCIENTIST

It matches the vibrational frequency of human cells. And it can resonate with human cells to activate the body cells to function optimally.

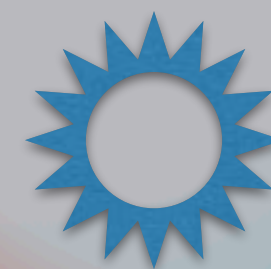

Between Microwave and Infrared

It's frequency between 2 -17 THz, which is very good for human body . Frequency Range 100ghz - 10thz, wavelengths 30um - 3000um can pass through non-conducting materials, like clothing, paper, plastic and glass. Safe non-ionizing frequency. Terahertz technology has been widely used in medical, aviation, drinking water and other social environment and life fields.

Ranked as “The first of the ten key strategic goals of the national pillar and gave the nation's strength to conduct in-depth research and development.

HOW DOES iTeraCare™ WORK

RADIANT HEAT

Current passed through a coiled, Nichrome Element, creating both radiant and infrared heat.

CONVECTION CURRENT

As Terahertz Frequencies are generated convection currents force the radiant air from the fused, quartz tube

OPTICAL QUARTZ

As THZ and Infrared waves passes through the optical grade, quartz tube, excited electrons begins to vibrate

TRANSDERMAL DELIVERY

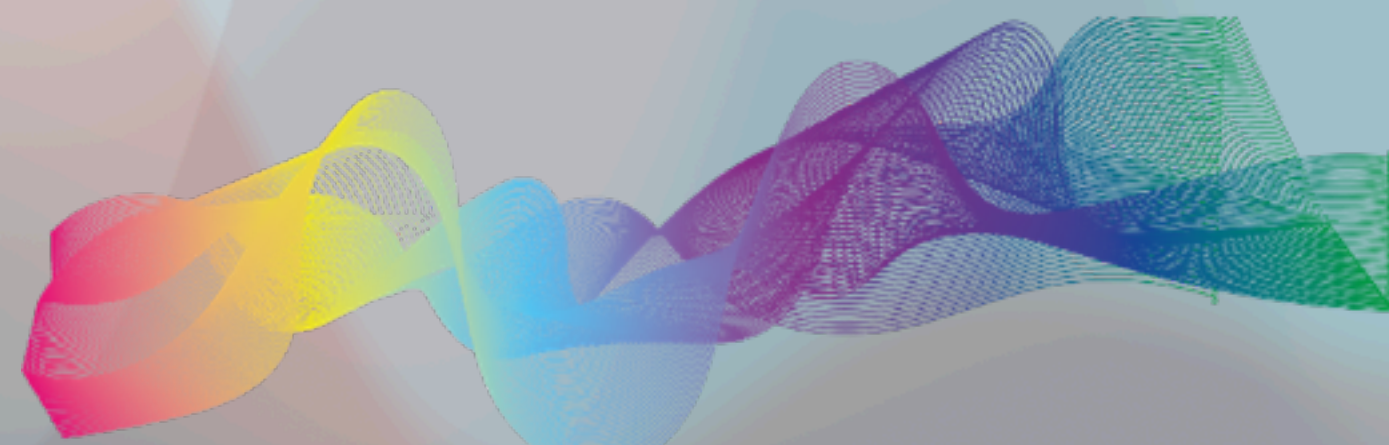

When the Wand is pointed towards the body, non-ionizing frequencies are delivered directly to the skin.

TERAHERTZ TECH

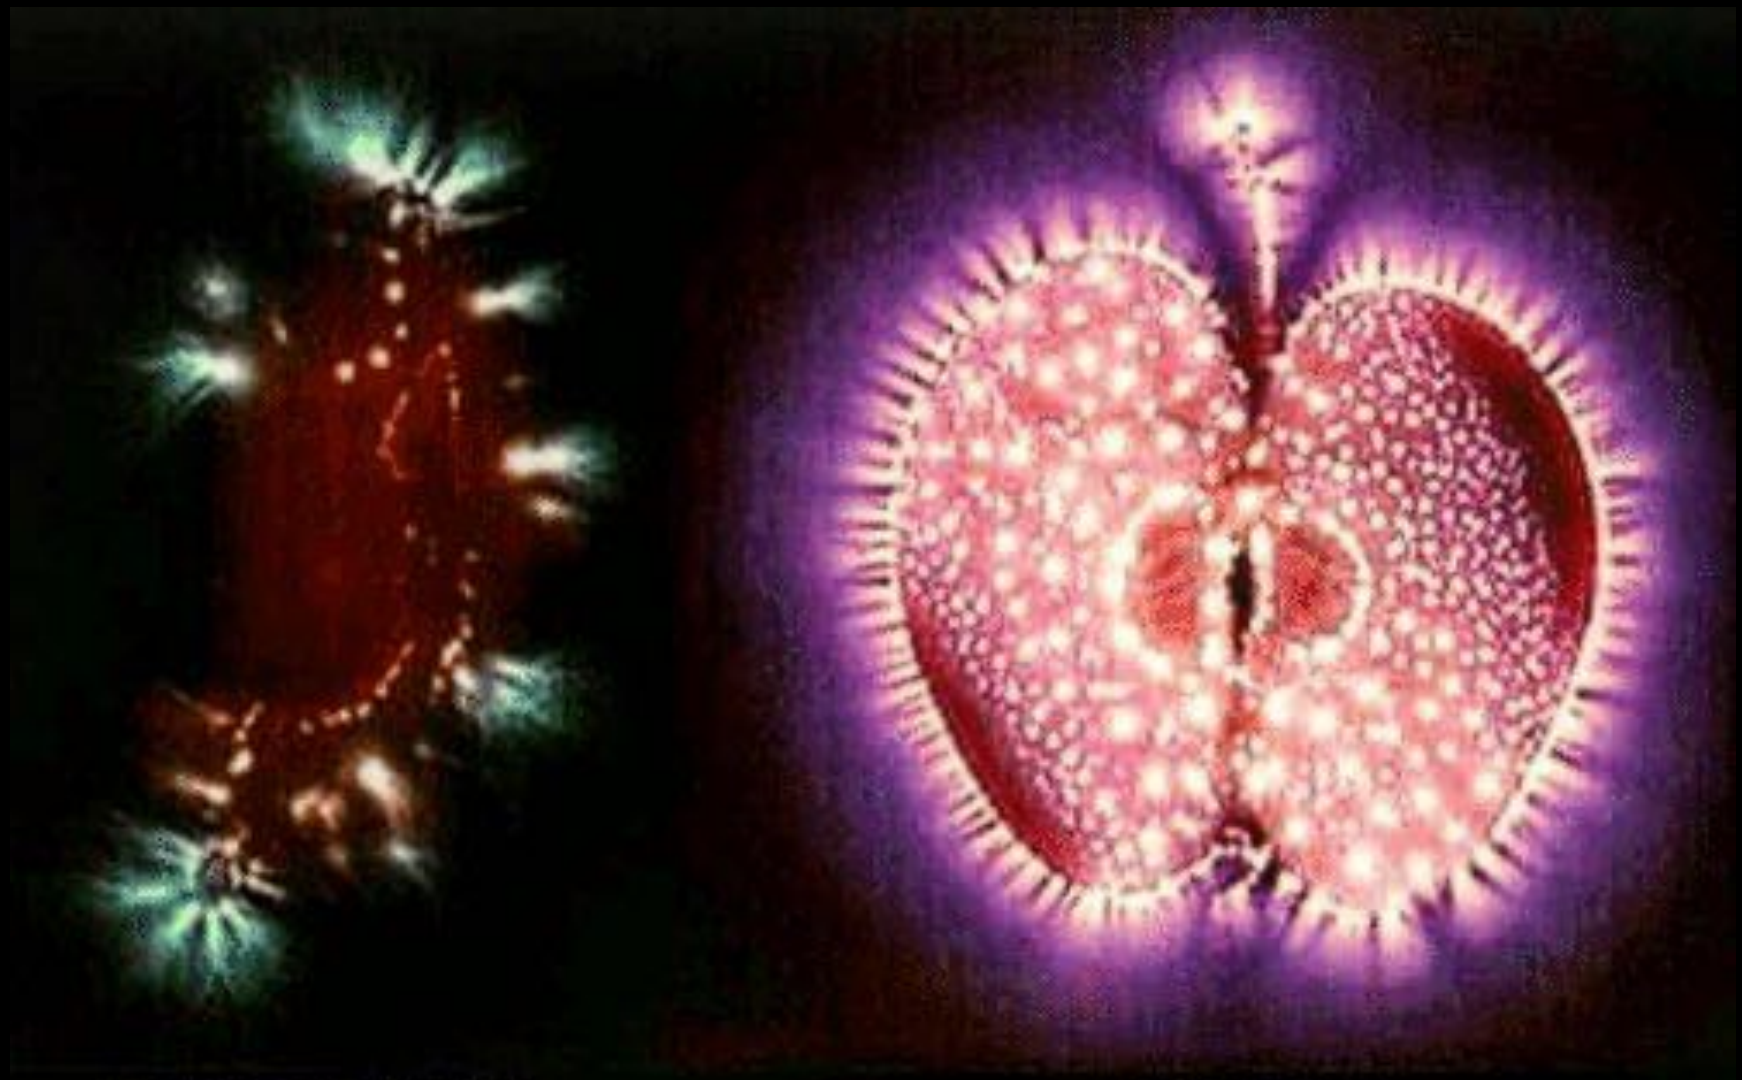

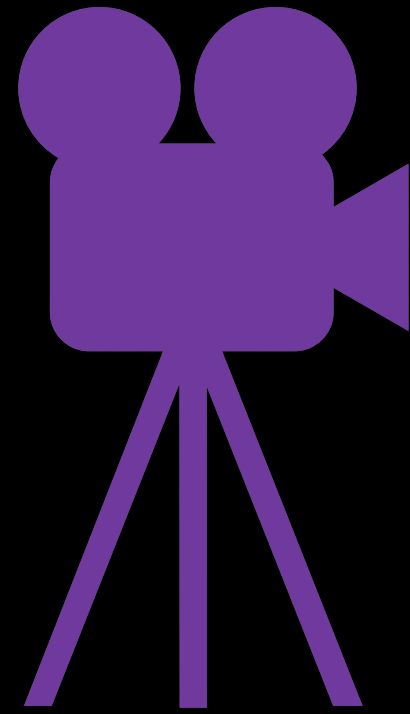

Significantly void of impurities, the optical quartz tube's vibration generates more THZ frequency.

QUANTUM FIELD

The quantum energy amplifies the energy signatures around it, making it more powerful and effective.

How THZ and SCALAR ENERGY Help?

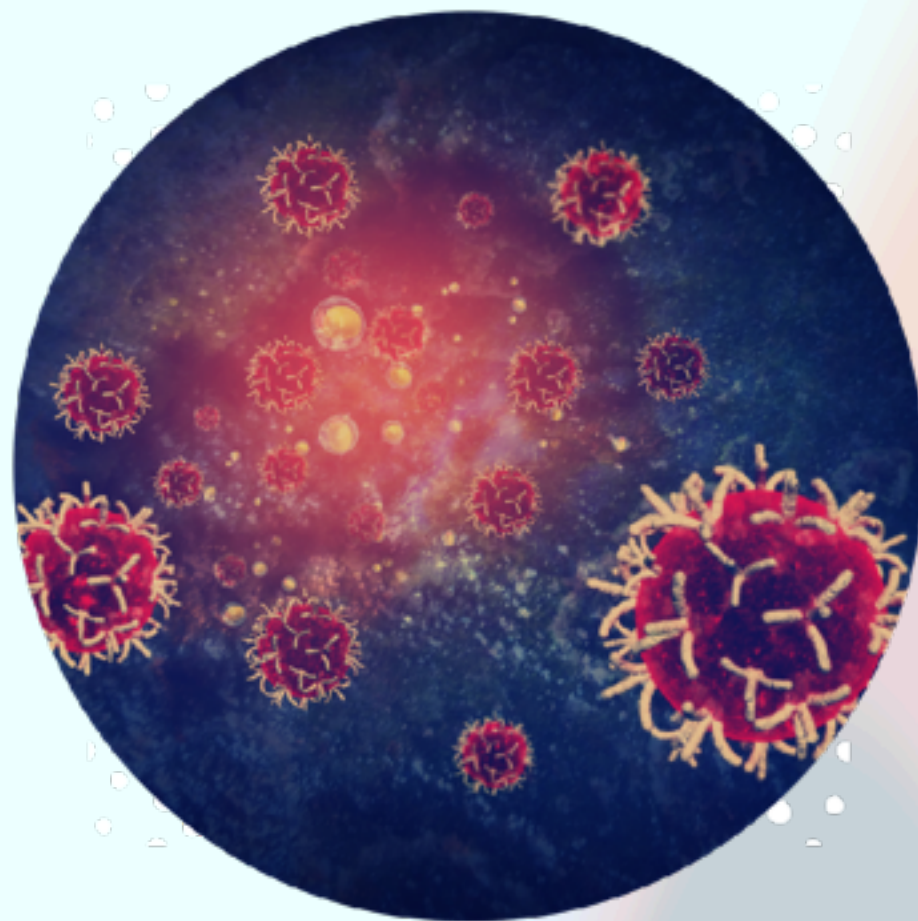

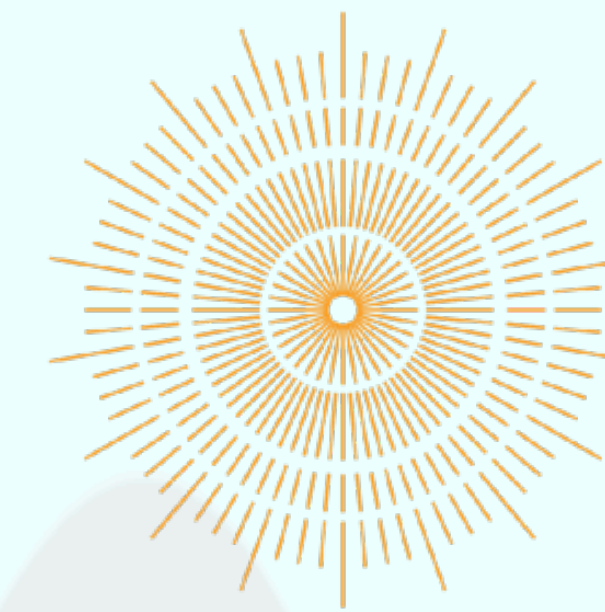

iTeracare™
2 MAIN FUNCTIONS:

ACTIVELY FIND AND PROTECT GOOD CELLS

ACTIVELY FIND AND ELIMINATE BAD CELLS

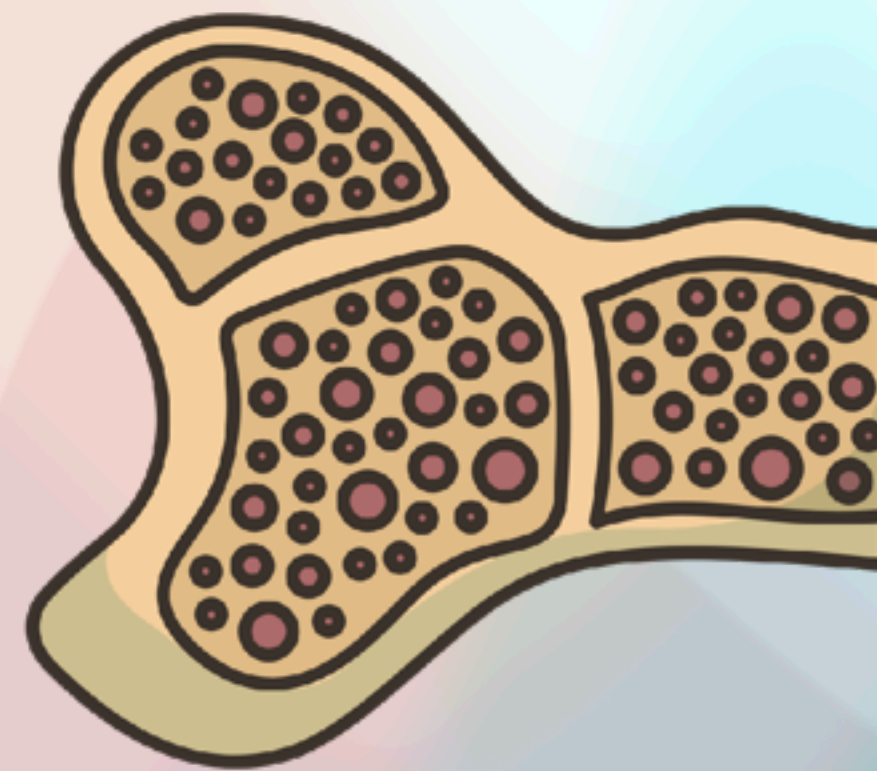

Smart and Effective. Resonates with good cells and destroys bad cells.

BENEFITS OF iTeraCare™

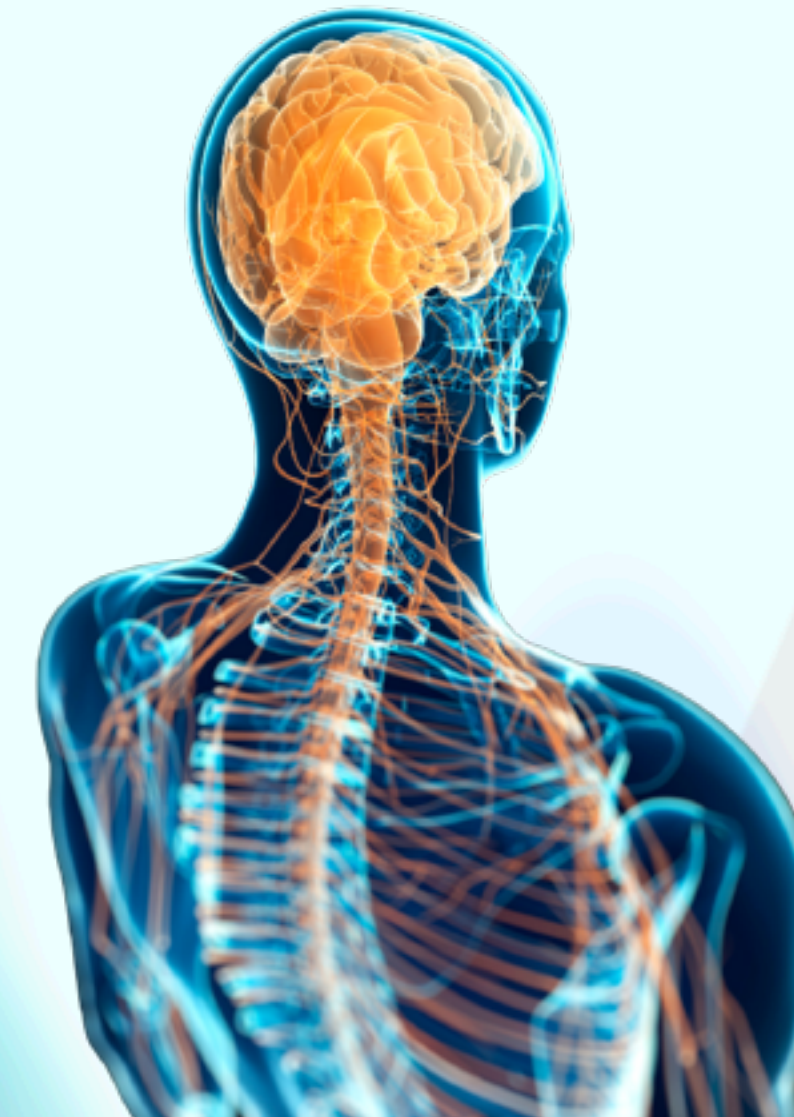

ELIMINATING UNHEALTHY CELLS

Terahertz frequency resonates and activates our healthy cells. All unhealthy, abnormal and bad cells will be absorbed and eliminated.

ACTIVATE INERT CELLS

Terahertz frequency will absorb and activate cells with moderate temperature, thus eliminating dormant cells.

INCREASES SELF-HEALING ABILITY

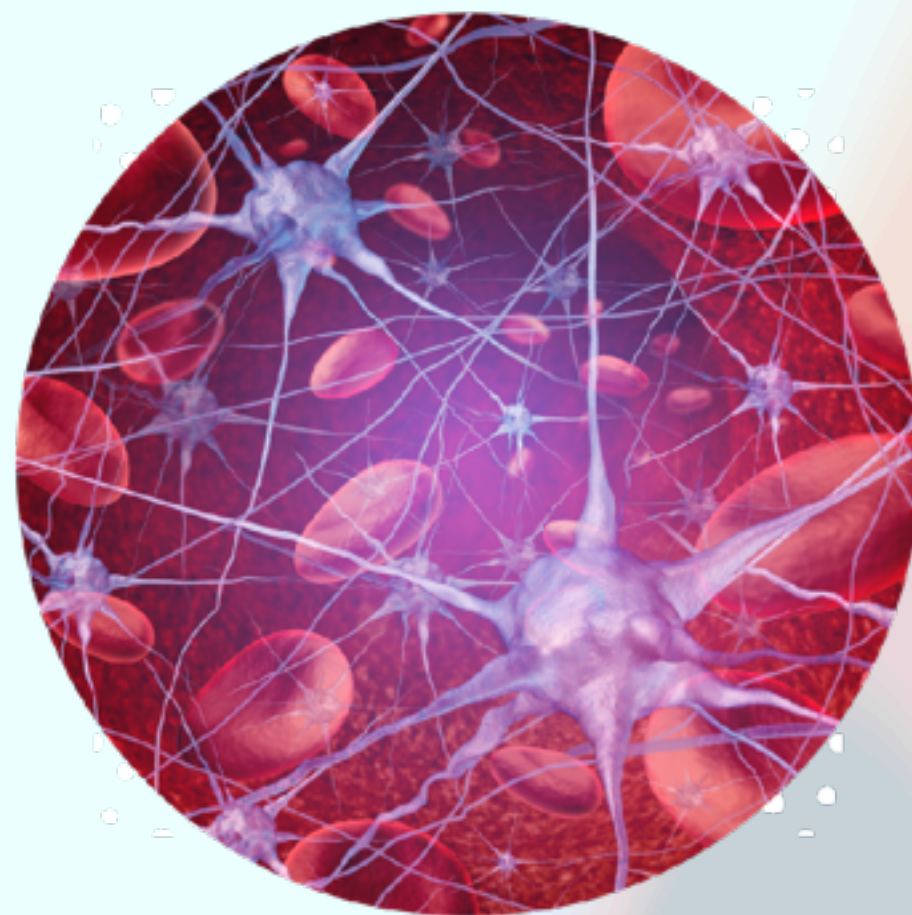

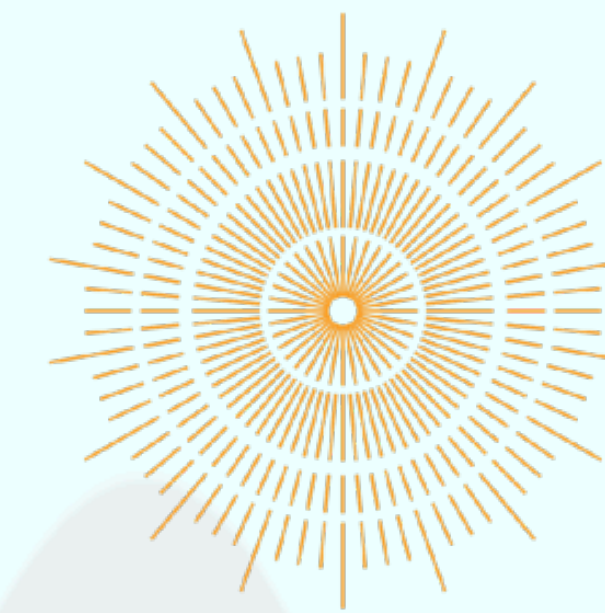

Terahertz frequency induces and strengthens DNA and organic molecules and resonates with our cells thus enhances self repair.

CLEARs MERIDIAN & LYMPH POINTS

Unblock meridians, stimulate acupuncture points, purify blood and increase metabolism.

BENEFITS OF iTeraCare™

IMPROVE MICROCIRCULATION

Terahertz frequency dilates blood vessels, reduces blood flow resistance and viscosity.

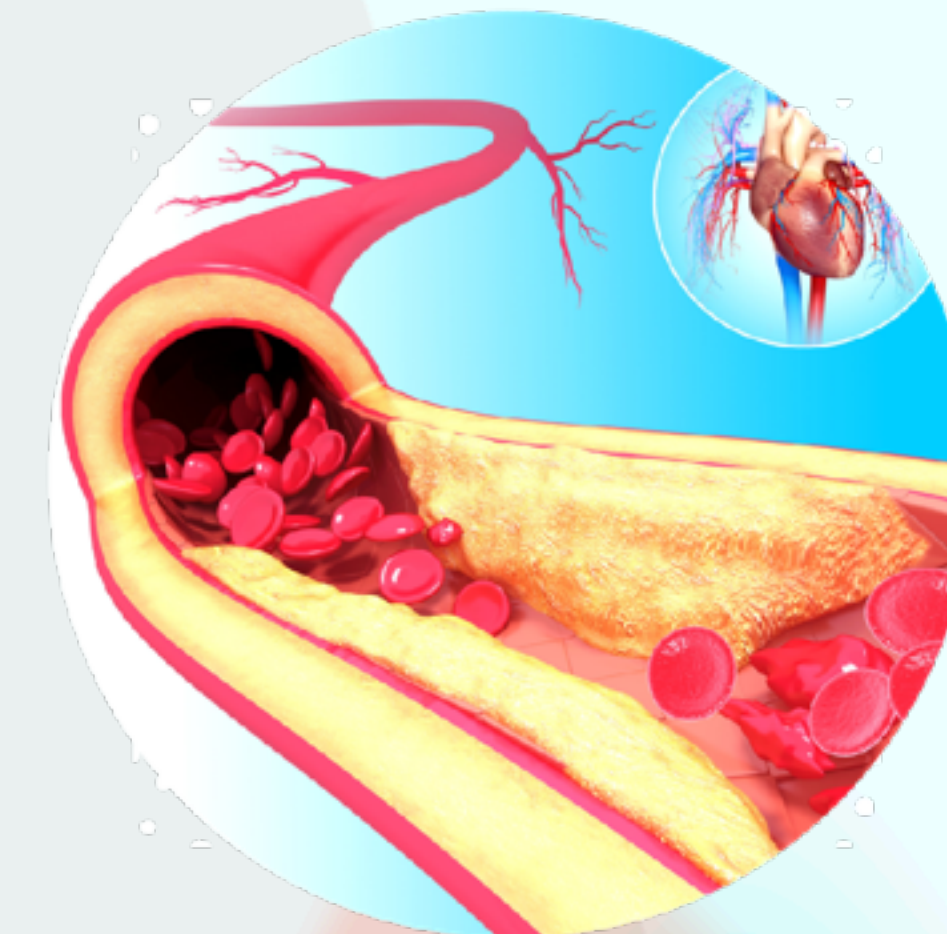

REGULATING GLANDS

Regulate endocrine glands and protect our organs. Endocrine glands send out hormones in the body, normalizing the bodily system of the body.

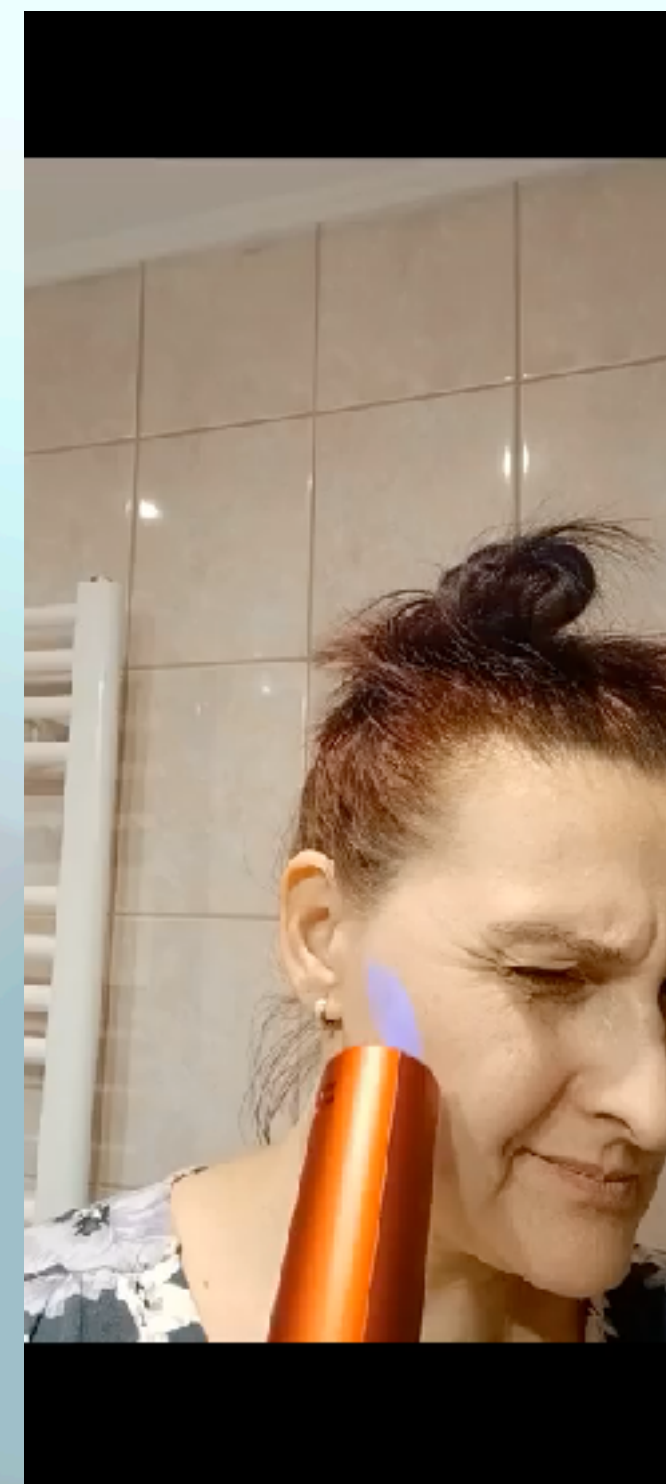

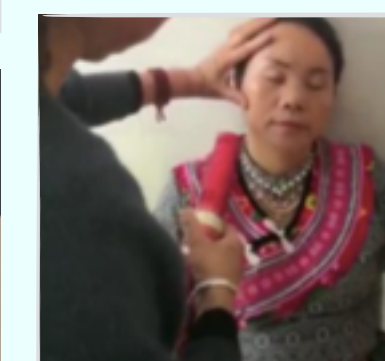

REMOVES BODY HUMIDITY

Clears unhealthy body moisture and fats. Balances Body's Immunity System.

BLOOD CIRCULATION

Cleanse blood impurities. Cleanse inner body. Promote blood circulation and removing clots. Soften blood vessels and Lumps.

Easy to operate. No professional skills or knowledge needed. Just blow on affected and uncomfortable areas.

100% SAFE

**USER FRIENDLY
EASY TO USE**

**Can be blown to Infants
and Elderly.**

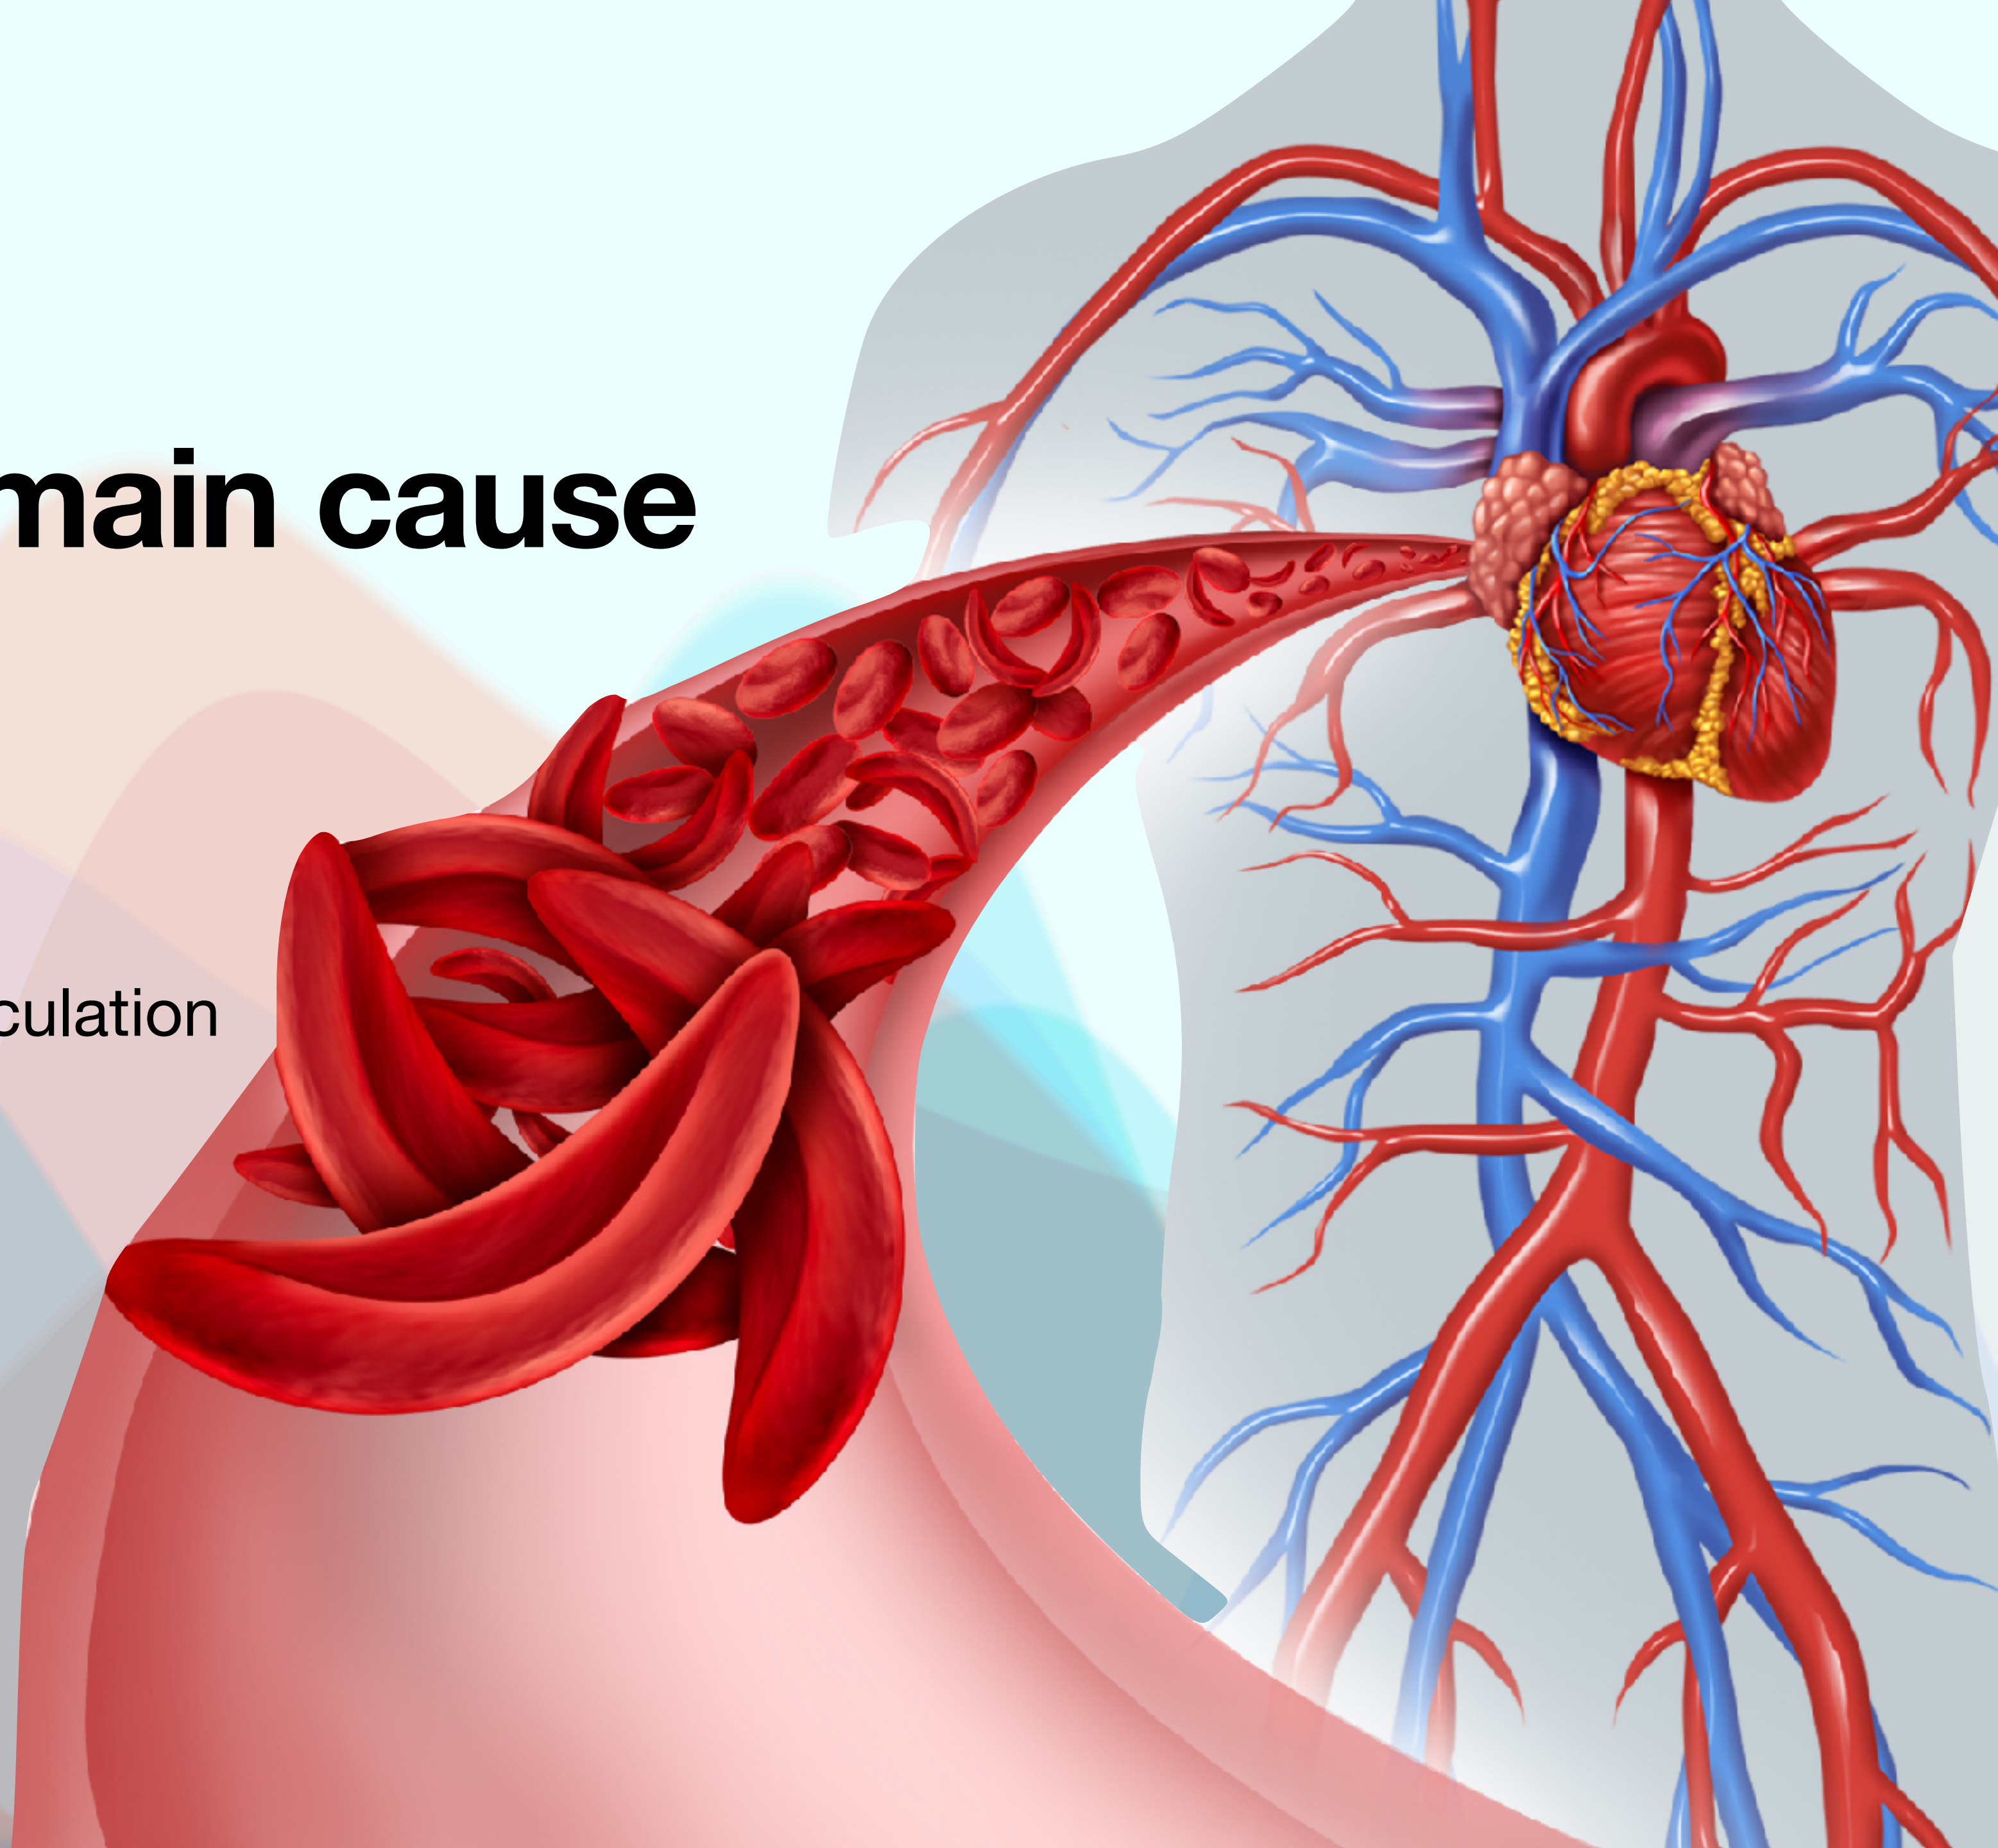

Blockage is the main cause of Body Pain *

Blockage = Pain
