

PRESIDENTS MESSAGE

On January 13th, we had a great dinner meeting at the River Rock Casino with 39 members attending. Again, this year the Wolleson family supplied a huge gift basket that was raffled and the all proceeds going to the club. Thank you, Charlie and family!

Charlie has served many years as our treasurer (with help of his family) and has done a great job. He approached me late last year and asked to be replaced as banking has become so computer based. Our officers asked around and we were lucky that Jim Ryan answered the call. At the meeting we made his position official and the transition is complete. A big thank you to Charlie and Jim. Thanks to Vice President Ed Couderc for facilitating the change.

In the process, I found our club charter that was issued in 1992. And several of those members are still active today. Many events and shows are planned for this year. I want to make it clear that it is not necessary to bring a truck to a show. Just show up and enjoy the fun. On January 8th several of our members attended a logging show in Anderson Calif.

Our next Redwood Chapter Meeting will be held Saturday, March 17 at 10 AM. We will be meeting next to our banner, on Dane's Mack Logging Truck. This will be at the Redwood Regional Logging Conference in Ukiah. Come enjoy the conference and join us for a quick chapter meeting.

Hope to see all of you at a shows this year. Safe Travels....

DaneDane Petersen, President

Vice President’s Note by Ed Couderc:

Our club was invited February 8-10, 2018 to the logging show in Anderson, CA.

Frank Muse from the Orland Nor Cal Chapter wanted to have some classic trucks mixed in with all the new shiny machines. Frank has some done some beautiful restorations and they were on display including a Bubble Nose Pete that he had just finished. We were able to supply some additional trucks to give the attendees something to bring up the past. Unrestored KW and Mack loggers, with the grime still on them were brought by Dennis McFarland and Dan Thomas. The restored Fruit Growers Supply trucks from Dan Thomas and Ronald Waltenspeil were able to bring back the past for many of the elderly guest as these trucks plied the back roads around this logging community in the 1940’s and 50’s. Lumber hauling was represented by Duff Bevill’s LT Mack with Reliance decked trailer and Ronald’s IDACO black and white tractor. Along for the show were Allan Nelson’s 2 LT Macks and visitors from other chapters with their trucks.

However the hit of the show was our President and his geezer Mack Logger. It is probably because of Dane’s outgoing personality rather than the little green truck with 3 redwood logs but TV reality star Mike Pihl from the History Channel Axemen series came by and thanked Dane for being at the show. We were all impressed.

It is nice to be able to promote old trucks and the ATHS and we all had a fun time.

Its official...

The Redwood Chapter of the ATHS is live with a new website... find our current calendar, browse event and meeting photos, read newsletters and keep current with your local chapter of ATHS.

<https://redwoodaths.org/>

Welcome to the Redwood Chapter of the ATHS

A special thank you to everyone who helped with the site design, including our officers and member John Zeni

The site is still a work in progress and we welcome all of your ideas to add and improve. Please send comments to redwoodaths@gmail.com or better yet... send us a note under the CONTACT US section <https://redwoodaths.org/contact-us>
