

## GUIDELINES FOR SPONSORSHIP

The purpose of these guidelines will help you as a potential Sponsor to:

- Properly interpret and explain the Walk to Emmaus weekend to potential pilgrims.
- Prepare the pilgrim for this experience physically, emotionally and spiritually.
- Communicate and explain the purpose of the weekend and the importance of local church participation and ongoing spiritual growth and accountability after the weekend.

### READ AND COMPLETE THE PILGRIM APPLICATION THOROUGHLY!

1. **EQUAL COMMITMENT**—READ THE ENCLOSED EQUAL COMMITMENT RULE. Submit applications for spouses to the Board Registrar together. Attendance during the same year is not mandatory but preferable. No couple should consider attending without prayerful consideration.
2. **REMEMBER** the walk to Emmaus is not for everyone. The Walk to Emmaus is designed to help change environments by improving Christian leaders. We need pilgrims with a heart for God.
3. **SHARE OPENLY** with your pilgrim the outline of the weekend. There is nothing secret that cannot be mentioned, although candlelight and the letters make a good surprise.
4. **EXPLAIN FULLY** to your pilgrim the physical requirements of the walk. Sleeping arrangements, shower accommodations, inconsistent temperatures in varying parts of the church and the need to dress appropriately and comfortably, ample supply of food, late hours, ( and possible lack of sleep) for some. **BE SURE YOUR PILGRIM IS ABLE TO HANDLE THE ABOVE.**
5. **BE VERY HONEST** with your pilgrim about the walk---Don't joke about lack of food and fasting during the weekend!!!
6. **NO CELL PHONES, PAGERS, LAPTOPS, CAMERAS, CLOCKS,** or other electronic devices are to be brought to the walk.
7. **DON'T** expect your pilgrim to experience the same things that you did. Each of us is at a different place on our spiritual journey. Don't set up potential pilgrims with expectations or unnecessary anticipations.
8. **ANY DIETARY OR MEDICAL** needs must be listed on the application!
