

# LBWC conducts Adopt a Highway clean-up

The Lord Baltimore Women's Club has many activities and committees, one of which is Adopt a Highway clean-up. The most recent of their clean-ups were held on March 18 and April 28.

Members of LBWC participated on a blustery day in March, collecting six heavy bags of trash from Route 1 northbound and southbound from Garfield Parkway to Fred Hudson Road. A group of members and a spouse gathered for a beautiful day in April for the clean-up, which proved to be a very successful day.

"Their hard work helps to keep our community clean and beautiful, while they also enjoy the many friendships of this organization."
