# THE STORY BEHIND 28 SONGS

28 Songs Brewhouse + Kitchen opened in April 2023 on the north end of Boerne to give folks in this part of town a place to eat, drink, and unwind — a true neighborhood spot where people could feel welcome whether they were out celebrating or just grabbing a beer after work. We wanted to build the kind of place that becomes part of the weekly rhythm of life: familiar faces behind the bar, good food and beer made with care, and an atmosphere that feels warm and real.

The name comes from the cardinal, a bird that carries deep meaning for many people. Across history, cardinals have been seen as messengers of love and encouragement from those we've lost — moments of comfort that arrive exactly when we need them. We hear stories like that often from our guests, and those shared memories and connections have become part of who we are as a community. Interestingly, **cardinals are known to communicate using as many as 28 distinct songs** — each one with purpose, intention, and meaning. In that same way, every person who walks through our doors adds something unique to the atmosphere here. Every conversation, every celebration, every shared meal becomes part of the song. Our cardinal sits in front of a rising sun because every day is a new beginning — a chance to share a meal, raise a glass, laugh with friends, and keep moving forward with hope and strength.

So 28 Songs isn't just a name. It's a tribute to the idea of togetherness — the beer shared after a long day, the friend who always shows up, the laughter that makes the room warmer. It's the sound of a table full of people talking over burgers, wings, and a couple pints of something we proudly brewed right here in-house.

We're a local, veteran-owned small business — built to feel like home. And we believe in giving back to the community that supports us through fundraisers, partnerships, sponsorships, or simply showing up when we're needed. Whether you're here for something big or something simple, grabbing lunch or just a couple beers, by yourself or with friends or family — when you're here, you're part of our song.

Good beer. Good food. Good company. Always.

## OUR FOUNDERS

Our founders have known each other for over 20 years and came to hospitality by way of people-focused work: Don, a U.S. Marine veteran and cognitive science researcher who studied what drives human behavior; Joe, a longtime health care administrator who has spent his career making sure people receive the support and care they need; and Mike, a psychology professor dedicated to understanding how people learn, connect, and thrive. Three different paths, one shared belief: life feels richer and community becomes stronger when folks have a place to gather, relax, and feel at home over good food and house-made beer. That's the heart of this place.

## COMING SOON:

*Carmella's*  
PIZZA PARLOR

From the team behind **28 Songs Brewhouse + Kitchen**: We're opening a true **old-fashioned pizza parlor** next door — the kind of place where the sauce simmers all afternoon, the dough is stretched by hand, and everyone is welcome at the table.

We're proud to be collaborating with **Chef Zachary Disch, formerly of Z's Pizza**, who brings talent, care, and a passion for classic Italian comfort cooking. Together, we'll be making **hand-stretched pizzas, house-made meatballs and Italian sausage, and authentic sauces** the way Aunt Carmella used to — slow, simple, and full of heart.

You'll also find fresh gelato, a cozy beer and wine bar, and a space designed for families, date nights, after-game hangouts, and gatherings big or small. And yes — we'll have arcade games, because every true pizza parlor should have a little fun built in for kids and grown-ups alike.

A place to eat, relax, laugh, and stay awhile. We can't wait to welcome you!
