# HOW TO ENABLE NOTIFICATIONS

To enable APP notifications:

1. From home scree, select settings (upper right-hand corner)
2. Select Notifications
3. Toggle on and hit save

HOW TO ENABLE NOTIFICATIONS

To enable CHAT notifications:

1. From home screen, select Chat icon
2. If notifications ARE NOT enabled, you will see a bell with a slash through it (note: you will only see chat strings you have access to)
3. Select the desired chat string, then tap the 3 dots in upper right corner
4. Tap "Enable Notifications"
