Instead of the actual certificate of title, evidence of ownership is necessary in place of the actual certificate of title. The record of ownership will be authenticated before any conveyance. An affidavit indicating that the title has been lost and a statement explaining the transfer of the vehicle also must be submitted. In cases where the Small Estate Affidavit or Attorney's Affidavit procedure is applicable, the statement may be included in those affidavits. In cases where the letter of administration procedure is applicable, a statement about the lost title also must be included. The statement must list the vehicle's

year, make, model, VIN, and the new buyer's name, if applicable, and be signed by the executor.

Transferring a Title

Upon the death of a vehicle owner, transferring the vehicle title depends on whether the title was in the decedent's individual name or joint ownership. If the title was in the decedent's name only, the procedure depends on whether the decedent's estate is being probated. For more information, please call the Public Inquiry Division at 217-782-6306.

Title in Name of Decedent

Probated

If probated, regardless of whether a title is being transferred to a buyer from the estate or to an heir or legatee of the decedent, the Secretary of State requires the following documents to transfer a title:

1. Certified copy of letters of administration, or testamentary showing the name of the legal representative of the estate.

2. Decedent's title assigned by the legal representative of the estate to the buyer.
3. Application for Vehicle Transaction(s) (VSD-190). *The current odometer reading must be indicated on the application and the appropriate box marked either "actual," "not actual," or "in excess of mechanical limits" (odometer rolled over).*
4. The applicable title and registration fees payable to Secretary of State.
5. Proof of compliance with the Motor Vehicle Use Tax (RUT-50) and appropriate taxes payable to Illinois Department of Revenue but submitted to the Secretary of State with the above documents and fees .

Small Estate

If a decedent's estate is not being probated and the value of the personal estate does not exceed \$100,000, the Small Estate Affidavit procedure applies, and the following must be submitted:

1. Small Estate Affidavit indicating the vehicle's year, make, and vehicle identification number. The affiant does not have to be an heir or legatee. If there is a will, a certified copy also must be submitted.
2. Decedent's title, which does not need to be assigned.
3. Copy of death certificate or abstract.
4. Application for Vehicle Transaction(s) (VSD-190). *The current odometer reading must be indicated on the application and the appropriate box marked either "actual," "not actual," or "in excess of mechanical limits" (odometer rolled over).*
5. The applicable title and registration fees payable to Secretary of State.

6. Proof of compliance with the Motor Vehicle Use Tax (RUT-50) and appropriate taxes payable to the Illinois Department of Revenue but submitted to the Secretary of State with the above documents and fees .

Attorney's Affidavit

If the estate is not being probated and the Small Estate Affidavit procedure is not applicable or appropriate, the transfer may be accomplished through the Attorney's Affidavit procedure, and the following must be submitted:

1. Attorney's Affidavit on the attorney's letterhead stating:
 - (a) Name and last address of the decedent;
 - (b) Date of death;
 - (c) Year, make, and vehicle identification number (VIN) of the vehicle;
 - (d) Who the vehicle is being transferred to and the relationship to decedent, if any; and
 - (e) Other pertinent facts relating to the transfer of the vehicle.
2. Copy of death certificate or abstract.
3. Decedent's title.
4. Application for Vehicle Transaction(s) (VSD-190). *The current odometer reading must be indicated on the application and the appropriate box marked either "actual," "not actual," or "in excess of mechanical limits" (odometer rolled over).*
5. The applicable title and registration fees payable to Secretary of State.
6. Proof of compliance with the Motor Vehicle Use Tax (RUT-50) and appropriate taxes payable to Illinois Department of Revenue but submitted to the Secretary of State with the other documents and fees .

Joint Ownership

A title in the names of two or more persons is considered a joint tenancy. By law, upon the death of one of them, the surviving joint tenant(s) becomes the owner(s) of the vehicle. Within 120 days after the decedent's death, the surviving joint owner(s) must apply for a title in their own name(s) unless transferring the title to someone else. In either case, the following must be submitted:

Surviving Joint Owner

1. Copy of death certificate or abstract.
2. Original title (*jointly owned*) must be surrendered and need not be assigned.
3. Application for Vehicle Transaction(s) (VSD-190) marked "CORRECTED TITLE" to have the decedent's name removed from the title. *The current odometer reading must be indicated on the application and the appropriate box marked either "actual," "not actual" or "in excess of mechanical limits" (odometer rolled over).*
4. If the applicant plans to operate the vehicle, an Application for Vehicle Transaction(s) (VSD-190) to correct the registration must be submitted in addition to applying for a corrected title. A current registration can be assigned to the surviving joint owner.
5. \$50 title fee and, if applicable, \$3 corrected registration fee payable to Secretary of State.

Note: Corrected title applications involving the removal and/or removal and addition of an owner's name due to death require a special \$15 corrected title fee, and if applicable, a \$3 corrected registration.
