

Program Directors Report

FEBRUARY 2022

February was made for LOVE! We didn't let COVID stop us from having a good time! Each home celebrated Valentines Day in their own way w/ goodies and crafts. The kind folks at Bethlehem Inclusive Church sent beautiful handmade Valentine's Cards to the residents, much to their surprise. Earlier in the month McClain admin. presented Pastor Zach Grant with handcrafted Thank You cards made by the residents to show appreciation for the all of the time & attention Pastor Grant and his congregation showed us over Christmastime. March also brought the Strawberry Festival and many of our residents had a blast, Tanya even won tickets to Busch Gardens.
