

Program Directors Report

MARCH 2022

March was a quiet month allowing us to reflect and begin planning for summer fun. With great excitement, the clients have been given the opportunity to return to Camp CedarKirk in June, please visit our website mcclain-inc.org to view the Countdown Clock! A Treasure Box was created for the residents and it's filled with popits, tattoo's, fidget toys and other fun items. When the residents accomplish a task or overcome an obstacle, they earn a visit to my office for some positive reinforcement. Due to great enthusiasm by Peter, Stall Road is our 1st test garden. We've planted 2 varieties of tomato, cucumber, and carrots in pots. We are seeking donations for cattle rounds as planters and a few volunteers to plant and maintain the garden beds. Qlarant has decided to move forward with our audit with a deadline of May 5th. Lastly, it is with a heavy heart that we say goodbye to Brenda. There are no words to express my gratitude and appreciation for the time we spent together. You will be missed.
