2026 Price Increase

Dear Valued Customer,

Effective February 1, 2026 we will be adjusting the monthly service charge by five percent to stay on track with inflation. This change is necessary to sustain our operations and commitment to excellence.

We understand that price increases can be challenging and appreciate your understanding and continued support. If you have any questions, please contact us.

Thank you for your loyalty.

Warm Regards,

Michael Butler
Sierra Water Utility, LLC.
