

4th Quarter Price Increase

September 06, 2022

Breese II Water System
PO Box 9062
Red Bluff, CA 96080

Dear Customer,

After extreme consideration, effective October 1st, 2022, we will be adjusting prices to cover this year's increased operating costs. We were extremely conservative at the beginning of the year with our cost increase with hopes that certain inflationary items would cool off. After a year of observing price action, we feel comfortable with this rate adjustment. As always if you feel pricing is unfair, we'd love to hear from you.

Regards,
