

ST. PATRICK'S ANGLICAN CHURCH

CHURCH YARD PARISH PICNIC ON JUNE 6!

It's time to hang out and eat together - it's been too long!!! Bring lawn chairs or a blanket and a picnic meal for your family (food and drink). Following worship, we'll picnic on the church grounds and enjoy fellowship over a meal. Rain date is June 13. Mark your calendars now!

Children's Ministry continues to grow! We place high value on discipling our kids to become fully-devoted followers of Christ. In order to do this well, it takes a cadre of volunteer ministers! Prior to the pandemic, the Children's Ministry Team numbered close to 20. Currently we have 5 adults and 3 amazing teens who are ministering to our kids. Children's ministry continues in spite of the pandemic, and we truly need more volunteers to help us fulfill our mission to raise up the next generation of committed Christ-followers. If you are able to serve in this important ministry, please contact our Children's Ministry Coordinator, Katie Hodge at 859.421.2102 or ktmarks83@gmail.com.

Help Manage Space on Sundays

- Check in with the Welcome Team every Sunday for your seat. Seats can move from week to week.
- If you have been worshipping online, contact Andee Marks to let her know you plan to return so she can ensure space for you.
- If you desire to bring a guest, **please contact Andee Marks by Friday** to ensure he or she has a seat.
